## 2008 Goal-a-thon

Our 2008 Major Fundraiser is designed to provide a reward directly to those players who choose to actively participate. Something a little more fun for the kids - as was a huge success last year (and aimed at improving their football skills!).

Again this year we are running a "goal-a-thon". Each player will have 20 kicks for goal with the rest of their team (older players kick from further away from goals). The number of goals kicked, multiplied by the amount sponsored per goal results in the total amount raised by that player.

Now the reward part:

**Any player who raises a minimum of \$50 will receive a specially designed CALAMVALE LEOPARDS GUERNSEY!**

- \* **There will also be a prize for the player who raises the most money - remember the accuracy of your kicking will make a difference - so practice as often as possible.**

Just think"- Your own Leopards Guernsey to wear off the field!"

1. Each Player will have three (3) weeks to get as many sponsors as possible.
2. Sponsorship forms must be returned to the club (via team managers) during the week **ending 28<sup>th</sup> March.**
3. The official Goal-a-thon kick off will happen at various times during the following week (team by team)
4. Club officials will calculate how much each child has raised and place orders for Guernsey's that week. (delivery from the supplier will be within 8-9 wks (hopefully earlier!))
5. If your child's sponsorship falls slightly short of the desired level - and you wish to "top up to this amount" - you will need to arrange for your team manager to note on his/her form during this week so that the order can be correctly placed.
6. A copy of Sponsorship forms will be returned to players to collect money from their sponsors.
7. All money raised will need to be returned to the club with your copy of sponsorship form to be eligible to collect your Guernsey.

Please support your child/grandchild/nephew/niece in their efforts to obtain sponsors and raise money for their benefit and that of their club! Remember, club Guernseys are a reward (and very obvious public demonstration) for those players who actively participate in the goal-a thon.
