HEY HEY HEY

**We Thought About It! We Talked About It!
Now It's Happened! Let There Be LIGHT!**

**You are invited to attend the
"Official Switch ON of the LIGHTS"**

The Calamvale Leopards Junior Australian Football Club has been fortunate to have received funding by Brisbane City Council by way of a grant to erect a floodlight system for our oval. These lights will enable the club to continue its growth and success by providing us with the ability to play and train under lights.

The Leopards will be having a short ceremony where we will turn the lights on officially for the first time. We would like to take this opportunity to acknowledge Brisbane City Council and everyone linked to this project and everyone who has kindly helped our Club over the past five years.

We hope that you can attend this milestone event for the Calamvale Leopards J AFC.

News in Brief

Happy New Year, everyone. Welcome back to another great year at the Leopards.

Seniors

This year will see our club grow to senior level with the Calamvale Leopards Seniors being accepted into the AFLQ Seniors for 2006. There will be two senior teams next year playing in Div.2 with reserves. This is what we have been aiming for since the beginning now we can offer our players a pathway to seniors at Calamvale; we will have all the opportunities to continue your AFL career available at the Leopards, our next step will be to have Under Eighteen's hopefully within the next two years.

Here are that contacts for the Calamvale Leopards Seniors:

<i>President:</i>	Wade Hurst	0412 933 826
<i>Vice-President:</i>	Jamie Genn	0415 857 605
<i>Email:</i>	seniors@leopards.com.au	

Registration

This year we have a new design for our club polo, which will be part of the registration fee for 2006. All the other benefits (same as last year) will be included as part of the one fee, there will be no game fees. We believe that our once off fee will be better than other clubs can offer; we will provide you with everything you need for the whole season. Over the years other clubs offer a cheaper registration fee, but then you are required to purchase all your uniforms and pay match fees, which in the end will cost you more. At the Leopards our fees are based on the costs involved for our kids to play football for the whole year, we do not make money on the registration fees we set.

Club Management

A special thanks to the few that attended our AGM, unfortunately everyone must believe we are doing a great job, because we were not able to get enough members to attend. We needed to make phone calls to get the numbers required, thanks again to the people we called for coming down.

It is great that everyone rates the committee so highly and we try to do our best for the club, but unfortunately the Leopards need more help there are too few to do all that is required and the success of our club is based on the number of volunteers we have that are willing to support the boys and girls out there playing for our club. We need you to attend the AGM if we don't have the AGM when planned we will not be able to prepare for the following year, which will result in our club not being accepted into the Brisbane Juniors League. Please consider being part of the committee and/or part of a sub-committee in 2006.

Thank you to everyone that has volunteered for this year's committee, as you can see we do need more volunteers to help with sub-committee roles, please consider helping out this will benefit your kids as well as others.
