Coaches

We would like to remind all coaches that if they have not already provided their passport size photo for the "Coaches Card", they should do so ASAP. The Coaches Card is required to be worn on game days and the club is at risk of being fined if they are not worn.

If you have a coach's card from last year there is no need to do another card but please bring the cards along for your game.

Coaches Meeting

Football Operations have called a coaches meeting will be held at 6:30pm on Wednesday, April 20th (next week). All coaches are asked to attend the very important meeting.

Team Managers

One of the things we like to do as a club is to include a match report in the weekly newsletter detailing your team's efforts in last weekend's game. We find that the players enjoy reading about themselves and their team mates.

The newsletter is also an area where you might like to highlight the performances of your players and even publish weekly awards. Milestones such as 50 Games can also be highlighted in your report.

Match reports need to be sent to Russell Harris by Monday evening on Fax (37114188) or Email (news@leopards.com.au).

Please also contact Alan McKenzie regarding names of Qualified First Aid Personnel for your team. Parents willing to undergo First Aid training please also give your name to Alan so we can have emergency relief First Aiders when required. We can then arrange training sessions at lower prices through group bookings.

Teams are not to play without a First Aider being present. At this point we have had to employ St Johns due to the lack of First Aiders for each team.

Thank you for your assistance. Alan McKenzie. Risk Management Officer.

Club Registration Details

There are still a number of players who have outstanding registration fees to be paid. As everyone is aware, the registration fees must be paid before the commencement of the season OR arrangements made with the registrar for regular weekly payments of the registration fees. Please contact the registrar, Russell Waugh on 0417 737008 to make arrangements for the registration fees.

Ground Condition

It was noted after last Saturday's games the oval was left in poor condition with rubbish being left all over the ground.

While we appreciate that some of this may have been caused by away teams we ask that all Leopards members (players & parent) pick up rubbish left laying around.

The lack bins was an issue and will be rectified for future games.

Leopards Caps

Leopards Caps are available for sale from the Canteen. Get your cap to show your support of the Calamvale Leopards.

Social Event

Trivia Night

The first event has been listed with Algester Sports as a Club Trivia Night on Saturday evening 14th May. We had a great time last year when we raised over \$1200 for the club.

We intend to have a sporting memorabilia auction as well, so if you can help with any donations of signed jumpers, shirts, footballs, caps, etc we would really appreciate it. We also require prizes for the night, so if you can donate (or your work organization) we will be very grateful.

Remember all the money raised will go toward our Club and the children. Please contact Ian Patterson on 32723709 or 0408327237.

Sponsorship

As you all know we have completed the building of our Clubhouse and Changing Rooms in 2004. As a result, the Club has been drained of its reserve funds and is in urgent need for extra sponsors to help the Club through the 2005 season.

Our aim this year is to have every team in the Club sponsored by a business organization or a parent from that team to the value of \$500.

As a result of this sponsorship:

- 1 A representative will be invited to attend all our club functions and sponsors day.
- 2 Club newsletter: the business logo will be advertised through our weekly newsletter to all parents.
- 3 Our special club website: the business logo will be prominently displayed on the club website as one of our club sponsors.
- 4 The name of the business organization or

SUPPORTING OUR LOCAL COMMUNITY
41 Endiandra St ALGESTER
Phone: 32737022

parent will be engraved on the trophies for that team.

We desperately need more funds to keep the club financial in 2005 as we still owe money to the builder for the Clubrooms. Please help by sponsoring your son or daughter's team. Contact Ian Patterson on 3272 3709 or 0408327237.

Footy Fathers

Footy fathers will be playing 5-6 games this year one per month. First game will be penciled in for the end of April depending on the draws and when the ground is free. If you have not registered your interest to play with either the Leopards or the Calamvale side please contact me 0413942710 Darrell Plumridge.

AND WATCH THIS SPOT FOR FIRST GAME DETAILS

Match Reports

U8 Bombers

The ground was muddy for our second game and with all indications that more rain was on the way. We weren't disappointed in the weather or the way the children played.

They took to the ground excited and a bit more knowledgeable about field positions and zones this week.

Braedon had his first game and had some good kicks in the 3rd quarter. Bradie and Jarrod's kicking in general play was very good. Ben took some very good marks while Isaac was strong in defense and kicked well in the second quarter. Jesse was very busy contesting every ball that came his way. Kurt's third quarter was his best although he tried hard all game. Michael showed some real attacking flair this week as did Sarah who was very busy on the ground. Matthew managed to break free from the defense and run them ragged.

The Bombers played consistent football over the first three quarters but flagged a bit in the final term. No points were scored by the Bombers in the last quarter and the Hawks came home strongly. A great game!

Coach Robert commented after the game that he was pleased in the overall improvement of all players but was particularly happy with the teamwork displayed.

Thanks again to the Umpires and coaches for their support as well as Martin for goal umpiring, Sharon for washing jerseys, Louise for bringing oranges and Jon for keeping statistics.

This week's encouragement award goes to Ben for his great efforts in marking. Last weeks award goes to Bradie for his excellent kicking.

U9 Leopards Blue

Thank you to Coach Bruce. We look forward to your continued assistance.

Because of four absentees, Forest Lake loaned us two players at a time, allowing the teams to play 12 a side. We wish to thank them for this consideration.

In the course of the game Bronson came off with an injured hand. Sadly, he has a broken bone and will be off for about four weeks. His parents, Scott and Kerryn, want to thank Coach John and No 12, Sam, for their care and support of Bronson. Well done!

The skills being practiced at training are showing up in excellent teamwork which was very evident in this game. The leadership being displayed by the more experienced members is helping the less experienced player's progress nicely.

You played as a team Jessica (Captain), Bronson, Chris, Jake, Justin, Mitchell, Nathan, Charles and Sam, and everyone is very proud of you. You rocked! Coach John.

U10 Leopards Black

Wests - April 2th

The Under 10 Black team's first match of the new footy season was at Calamvale Oval against Wests who had proven to be tough opposition in Season 2004. There was much excitement and anticipation from both players and coaching staff on how the new team would perform in their first game together.

This question was answered very quickly in the first quarter with the Leopards starting the game "like a house on fire" kicking 4 goals with the use of the breeze to hold a very handy lead at the first break. The talk from the players at the quarter time huddle was all about how much they were enjoying the new Under 10 concept of being able to tackle opponents. Wests had the use of the breeze in the second term and being a highly skilled and efficient combination used it effectively to kick 4 goals of their own. By the half-time break, the Leopards who had played two very good quarters of footy held a much deserved but modest advantage on the scoreboard.

The final two quarters were very tight and tough affairs with both teams desperate to take possession of the ball. With the Leopard's backline and mid-fielders working over time, our boys were able to prevail in the "arm wrestle" that developed and record a hard fought victory over a very determined Wests team.

A very impressive first-up performance from

the team with some excellent passages of teamwork, in what was a fast flowing game against quality opposition.

Thanks to Josh from the Under 9s for helping out and playing so well in his third game of the morning.

Player's award went to Jacob Raines who had an outstanding match.

Ipswich - April 9th

The Under 10's in game two of the season took the long road trip up the western highway to Ipswich to take on the Cats at the cattery. With Paul away in Townsville on business, Mike went solo in the coaching role.

The Leopards lost the toss and were asked in the first term to run into the breeze and "up hill" on Ipswich Oval. The boys worked extremely hard into the breeze and with some good teamwork had their "noses" in front at the first break. Another quality quarter of footy in the second term, which saw the Leopards "pepper" the goals and keep the Cats scoreless saw the boys go into the long break with a hard earned and useful half-time lead.

The third quarter saw the Cats fight hard to bridge the gap on the scoreboard. But with the Leopards using their skills to play a possession game against the breeze, they were again able to out score the Cats. After working overtime into the breeze for half the match in the hot conditions, there were some weary looking Leopards by the ¾ time break. Mike challenged the boys to run out the match in the last term and the Leopards rose to the challenge adding another 3 goals to the score line to run out worthy winners.

Good performances from Zebedee, Jackson, Jarrad, Jacob R, Duncan, Mitchell and Rhys.

Alex who kicked 3 goals and had a "bag" of disposals won the players' award.

U11 Leopards White

Adam was captain this week and led the players out on field for our first home game. It was a hot day and the players handled the heat conditions very well. It has taken us a couple of weeks to get positions sorted out but now feel that the team is well balanced. If everyone plays as well as they did on Saturday we will average more wins this year.

Congratulations to Dylan for his 50th game, and what a game he had, good tackling, marking, chasing the ball. The passage of play from the back line was well played at times, one time led by Ben A to Dylan and into the forwards to Jarrad, pity it didn't lead to a goal, but they were few and far between for both teams. Some heads clashed a couple of times, but the players managed to recover and play on. Kenmore had to borrow 3 of our players, which was the telling factor for them

performing so well. Parents and older siblings, please note, we need help at the game with water carriers, goal umpires and runners, please let Linda know if you would like to help.

We welcome Andy Mills to our team and what an addition, taking out player of the match in his first game with the Leopards.

U12 Leopards

Well boys we were comprehensively beaten today by a bigger, stronger, faster side, and I hope we learnt a lot from watching the way Aspley played their football, because that's the way we want to be playing by the end of this season. They ran in numbers, they moved the ball fast and always looked up and passed the ball to the best options. The only part of our game I was really disappointed in was a 10 minute period in the 3rd quarter when we let them run at will and at times they had 4 or 5 loose players running forward into their forward line.

However the season starts now, we will be put into our appropriate division, and we start our quest to be the best team in whatever division we are in, hopefully we have learnt a lot playing better sides over the last two weeks and we use what we have learnt to become a better side ourselves. I was very happy with some passages of play, but we have to become more consistent, and especially work hard at ground clearances where we have to impose ourselves with more strength and more determination at the ball. In general play we just have to work hard at running into the best position and then make sure we carry out our skills better and better each week.

A great game today right from the start by Bezza (Josh Berry) who I thought was very hard at the ball all day; Twitch (Mick) was strong as always kicking two very good goals and Liam (needs a nickname) was good around the ground and his tackling was a feature as always, One of our new players Morro (Jay) had a great game and is getting better each week. Koral (Karl) took a great mark pity it was touched but a great effort none the less, its not going to happen overnight guys but your all working hard and just a small thing each week helps with both individual confidence and team confidence. I am excited and looking forward to watching each player improve throughout the course of this year. Go Leopards.

Under 12 Leopards Footballs.

5 balls went missing from the change room during our game on Saturday. All balls are marked with U/12 leopards and a DP number. Please return any balls with these markings to the canteen.
