### Match Reports

#### Under 12 - Div 4

This week saw us playing a home game against Bribie Island at Kenmore. Andrew G was primed for a big game and did not disappoint. Very strong in the ruck, hard at the ball and running like a rover, Andrew was rewarded for his effort with a fine goal.

Our forward line dominated early, but could not put the points on the board. Another great display by Carl and Bomber up forward, assisted by solid games by Courtney, Josh P, Jessica and Nick Nagy. Bribie started attacking in numbers, but our backline held firm. Ben and Kurtis played their hearts out, backed up by the solid defence of Jake, Happy, Nick Amey, and Jordan B. In his first game for the U12's Beau showed some great defence, dishing out some heavy hip and shoulders and attacking the ball without any concern for his safety.

Our midfield brigade again showed their hardness for the ball, but injuries to our backup midfielders made rotating these guys nearly impossible. Jesse once again showed his endurance and courage by playing the whole game as rover, then backing up for the first division side. Damien ran all day, despite taking some very heavy knocks. He was never far from the action, even when "resting" at half forward. A courageous effort.

Callum and T.J played some terrific football across the half forward, with T.J playing the best

game I have seen him play. A special thanks to our U11's that played up, Alex and Anthony. Both of you showed you can more than mix it with the 12's. Anthony was rewarded with a great goal, while Alex was one of our toughest defenders.

In the end Bribie were too strong, winning by 5 goals. They were fitter and faster, something we

all need to work on at training. Thank you to our water carriers, goal and boundary umpires and runner. Without your help, we would not have a game of football to enjoy. Also thanks to Aaron, Ben, Nick A, Jessica and Jesse who backed up in the Div 1 match.
