Registration Fees

The club wishes to advise that all Registration Fees must be paid by Thursday 27th April 2006. Failure to do so could mean your children will not be allowed to play football.

If anyone is having difficulty paying the full payment, please contact Claude Sansiveri on 0414 944095 to organise a repayment plan.

We are sorry to have to resort to this type of action as we endeavor to make sure all kids get to play football as that is our main aim. However, it is also our duty to ensure the long term viability of the club and pay our bills on time. Your efforts in getting monies into the club on time aid us in doing this.

Your cooperation is appreciated!

Match Reports

Under 9 - White

The boys continue to excel and outclassed Collingwood Park at home. We had some excellent efforts again, none better this week than Jarrod Fenton's 2nd, 3rd & 4th efforts in the one contest. This won him the player of the match. Close behind with good footy was Jay, Zach & Jordan. Jordan's goal was an absolute beauty & Troy kicked a ripper goal too. Patrick, Vincent, Josiah & Cooper have some real pace and showed desperation to win the ball. The coach liked that. Strong marks, always the sign of a good player, were taken by Daniel, Jackson & Jarrod Nuttall. Dale continues to listen and improve and showed that in this game. Rion had his first game and did well whilst Alex made clever position and showed us his good kick.

Well done to the whole team you are making us all proud! Keep practicing boys and remember to be thinking about where you need to be when you don't have the ball. This is an important when we play the better sides. One other common element that is clear when watching the games is that the boys who want the ball the most, get the ball the most often. Could be something to think about also.

To the mums and dads who help out, thanks again. It's a lot more fun and easier to coach the boys when you are involved, whatever it is you can help with. Don't forget to chip in each weekend, and on training nights, so the boys get the most benefit.

Under 9 - Red

U9 Leopards Red – Vs - Wests Jnr White

Captain Shammus led the team through a specially prepared banner to celebrate his 50 games with Leopards. It was an exciting start to what proved to be an exciting game against Wests Jnr White. The first quarter showcased our defensive efforts while Wests came back in the second. In the third quarter, a terrific display of teamwork with great defense by the backs and the centers feeding the forwards quality ball resulted in plenty of goals scored. Wests came back in the fourth quarter in a close finish.

Coach Robert was impressed by the manner in which the players are developing as a team with plenty of handballing and well placed kicks to teammates. He is also pleased with their individual progress in skills development.

Sinjin Received the Coach's Encouragement Award this week for his great work in the centers. Daniel is making serious progress in his short time at the game. As usual Michael tried hard all game while Ben and Jarrod "Jod" McKay took some great marks. Kurt's positional play was noteworthy while Braedon is becoming one of our best defenders. Matthew H remained focus on the game and Jay put in a consistent effort. Isaac's ruck work showed real improvement and Blade's bumping was great. Jarrod McKnoe was consistent once again while Matt "Mac" McLean put in his best running game ever.

The team was cheered on by an enthusiastic band of supporters who Coach Robert thinks are the best in the competition. Who are we to argue? Thanks to the Coaches, Umpire, Kelly for Jersey washing, Jon for oranges and Mick for an extremely busy and enthusiastic goal umpiring stint. Also thanks to John C, Chris and Deb for their sideline help and statistic keeping.

Some of the players then backed up straight away for another game with the U9 Leopards Blue team. Ben, Shamus, Isaac, Blade and Matthew all put in great efforts and continued their good teamwork in this game.

Under 12 – Div 3

Aspley-3 5. 6. 36 - Def - Leopards 4. 6. 30

Our first match in division three and our boys and girls were fired up to prove they were up to the challenge. From the opening bounce Aspley threw everything at our defence, but with great games from Ben and Kurtis our defence held firm. Jeb, Nick A, Jake and Beau manned up tightly, doing everything the coaching staff asked. Courtney took a heavy knock in the mouth, but was not off the field for long. Her commitment to the team far outweighed any pain she was feeling.

For three quarters the game was even, with both sides taking turns to dominate. At the last change the leopards were down by three goals, but the determination was as strong as ever. Aspley kicked the first goal of the last term, but that was to be it for them.

Jesse was given the job of tagging a kid that could outrun Phar-Lap, and did the job well, earning a couple of holding the ball decisions.

With this kid not getting the ball, their mid-field completely shut down, allowing Damien and Aaron to attack with gusto. Both were rewarded with a last quarter goal. With 5 minutes to go, we moved our best defender, Kurtis into the forward line and he was rewarded with a goal immediately. The rest of the game was played in our forward line, with Bomber, Jessica, Oren, Josh P and Carl all putting their bodies on the line. Ben, Happy and Bradley had a wall set up on half way that no Aspley attack could penetrate. Josh dominated the hitouts and it was only the time clock that beat us. Rhys and Callum were strong in any position, While Nick N played the best game of his short career.

Boys and girls, we came up against a team that was faster and more skilful, but your guts and hardness at the ball almost got us over the line. Everyone on the field deserves the B.O.G award, with special mention to Ben, Damien, Aaron and Kurtis who all played out of their skins.

Also thanks to Rhys and Zeb from the 11's and Snowy from div 2 who filled in for us.

Goal scorers, Aaron 2, Damien, Kurtis.
