NEWS IN BRIEF

The sound of the siren and then the first bounce, what a feeling footies back! It was fantastic to see everyone out there and having a go, remembering that for some it was their very first game of Aussie Rules, the best game to play. The standard of play was impressive teamwork to goal kicking it was all there and great to see. Well done to you all and continue the good work on and off the field, thank you to all the people that assisted in changing the ovals from under 8's to under 10's and then again to under 11's, it is appreciated the faster we can setup we can then start the next game on time, which means the day runs smoothly.

Setting up the ovals is a weekly task and usually falls to a few people if you can help out between matches when changes are being made, please just ask someone what needs to be done? It will only be packing away the goal posts to moving the boundary markers.

It is very important that every team has a first aid person; please let us know who your first aid is?

Good luck to everyone for round 2, enjoy your footy and have fun doing it!!

Claude Sansiveri - Club President

*Watch them score and hear the mighty roar,
Go Leopards!!*

Coaches

We would like to remind all coaches that if they have not already provided their passport size photo for the "Coaches Card", they should do so ASAP. The Coaches Card is required to be worn on game days and the club is at risk of being fined if they are not worn.

If you have a coach's card from last year there is no need to do another card but please bring the cards along for your game.

Team Managers

One of the things we like to do as a club is to include a match report in the weekly newsletter detailing your team's efforts in last weekend's game. We find that the players enjoy reading about themselves and their team mates.

The newsletter is also an area where you might like to highlight the performances of your players and even publish weekly awards. Milestones such as 50 Games can also be highlighted in your report.

Match reports need to be sent to Russell Harris by Monday evening on Fax (37114188) or Email (news@leopards.com.au).

Please also contact Alan McKenzie regarding names of Qualified First Aid Personnel for your team. Parents willing to undergo First Aid training please also give your name to Alan so we can have emergency relief First Aiders when required. We can then arrange training sessions at lower prices through group bookings.

Teams are not to play without a First Aider being present. At this point we have had to employ St Johns due to the lack of First Aiders for each team.

Also, First aid kits that are issued at the start of the game must be returned for use by others at the next game on that day. Could the team First Aider who did not return their kit to the office last Saturday please do so before this week's games commence.

Thank you for your assistance. Alan McKenzie. Risk Management Officer.

Club Registration Details

The registrar has advised that there are a number of registration forms that need final details to be completed such as the player's signature or other important details. Some are also waiting for copies of "Proof of Age" to be provided by parents. This is urgently required by the Brisbane Juniors if a player has not played in this league before. Remember you will not be able to play on Saturday if this is not completed and submitted to the BJ's. The registrar will contact any player for which he is waiting for this information. He may have already!

There are also a large number of players who still have outstanding registration fees to be paid. As everyone is aware, the registration fees must be paid before the commencement of the season OR arrangements made with the registrar for regular weekly payments of the registration fees. Please contact the registrar, Russell Waugh on 0417 737008 to make arrangements for the registration fees.

Social Event

The first event has been listed with Algester Sports as a Club Trivia Night on Saturday evening 14th May. We had a great time last year when we raised over \$1200 for the club.

We intend to have a sporting memorabilia auction as well, so if you can help with any donations of signed jumpers, shirts, footballs, caps, etc we would really appreciate it. We also require prizes for the night, so if you can donate (or your work organization) we will be very grateful.

Remember all the money raised will go toward

SUPPORTING OUR LOCAL COMMUNITY
41 Endiandra St ALGESTER
Phone: 32737022

our Club and the children. Please contact Ian Patterson on 32723709 or 0408327237.

Sponsorship

As you all know we have completed the building of our Clubhouse and Changing Rooms in 2004. As a result, the Club has been drained of its reserve funds and is in urgent need for extra sponsors to help the Club through the 2005 season.

Our aim this year is to have every team in the Club sponsored by a business organization or a parent from that team to the value of \$500.

As a result of this sponsorship:

- 1 A representative will be invited to attend all our club functions and sponsors day.
- 2 Club newsletter: the business logo will be advertised through our weekly newsletter to all parents.
- 3 Our special club website: the business logo will be prominently displayed on the club website as one of our club sponsors.
- 4 The name of the business organization or parent will be engraved on the trophies for that team.

We desperately need more funds to keep the club financial in 2005 as we still owe money to the builder for the Clubrooms. Please help by sponsoring your son or daughter's team. Contact Ian Patterson on 3272 3709 or 0408327237.

Match Reports

U8 Bombers

Saturday 2nd April was the first match for the 2005 Bombers. It was the first time ever that these children had played a fixture and after only 5 training sessions. They had practiced kicking, handballing, taking marks and chasing the ball.

Each week we could see the disciplines becoming easier for the children and the training exercises more orderly. A tall order for 11 budding AFL stars!

Now to put what they had learned into a game situation.

The team that took the field were **Ben Allan, Bradie Shergold, Isaac McKinnis, Jarrod McKay, Jesse Stubing, Kurt Hogan, Matthew McLean, Michael Young** and **Sarah Auld**. Unfortunately **Braedon Paul** and **Jarrold McKnoe** were away on holidays but we look forward to them joining us next week.

It was a great day. The players were very enthusiastic and never gave up. Even though they had learnt basic skills they had to learn about positions and teamwork. There is only so much you can do in an hour training session. To their credit, they did through good teamwork manage to score a few goals and behinds but more importantly had a fantastic time. There were some good marks and tap outs and they were following the game (most of the time!).

The players performed in front of a huge crowd of family and friends who were very supportive, applauding the efforts of both teams.

It was a great introduction to AFL and the boys will only improve in the future.

A few thank yous. To the umpires and coaches, our goal umpire Doug, Sharon for bringing the oranges and Louise for washing the jerseys. Our little superstars couldn't do it without you. Thanks.

Next week we play the Hawks and hope it will be just as great a day as our first game

U11 Leopards White

Ben C led the team out at Yeronga. The team did well for their first game of the season playing to their

positions which is good to see, although they do need to watch who they are kicking to and to man up. At one stage, both teams were trying to get the ball, and one of the parents said, they are like a pack of seagulls fighting over a chip. When Yeronga eventually got the ball out, Jeff replied. "Well, I wish we had won the chip!"

Yeronga were strong in their forward line, which made the defence and centre work really hard. Adam, Ben C, and Nick S took some good marks, Nick S also doing some good work in the ruck. Nick B was able to get 2 goals, after being

fed the ball by Jessica. Good work by Kurtis and Jesse, Jesse getting player of the match. We thank Damian and Jake from Leopards Red for helping us out.

U11 Leopards Blue

The team played at home this week and was captained this week by Michael Korkou. The team started slowly for the first half and had trouble adjusting to the full tackle rule and no zones. Several of our players wandered into the forward line and had trouble getting back into defence and this enabled Yeronga to kick a few easy goals.

However in the second half our team started to fire and we kicked four goals to nil in the last quarter to almost snatch victory. Shane and Josh played strong games in attack and their marking was outstanding, Andrew Reece provided great drive out of the centre while Lachlan and Tim were very strong in defence.

A special mention to Mathew Korkou who kicked two goals in the last quarter.

U12 Leopards

Ferny Grove 6 – 8 – 44 Leopards 3 – 8 - 26

Well the season opened with a game played in a dust bowl at Ferny Grove, and it was a good solid start by our boys who toiled hard all day and apart from a few lapses in the second and third quarters kept the pressure on the opposition all day, but a 6 goal break to the opposition coming into the last quarter looked to be insurmountable,

however the boys dug deep and started to play some smart football to see them kick 3.5 to nil in the last quarter to go down by three goals.

I certainly can't complain about the effort with almost all the guys trying all day and never giving up, that sort of attitude will see this team go along way as they start to develop better skills and better team work. With almost 1/3 of the side being new to this team it will take a while to gel. It was pleasing however to see some smart football played in the last quarter, which saw us pull back the lead and with some more accurate kicking we may have snatched the game.

We also need to reduce some of the basic errors we were making which cost us a lot of possession, such as dropping marks, not being able to pick the ball up of the ground, and being a little slow to get rid of the ball effectively. But all that we will work on over the next few weeks.

Well done to the four under 11's who have moved up into the under 12's for the year, Brenton, Brendan, Beau and Jordan all of them played great games and looked very much at home in the u/12's. Well done also to Michael who had a good game and Liam, Brad and Oliver who put in some good patches of play throughout the day. Keep working on our game plan and over the next few weeks' things will start to fall in place. Well done also to Brenton for getting the first Goal of the season.

- Goals: Michael 2 Brenton 1
- Best: I thought everyone's endeavor in our first game was excellent.

Lets just work on playing smarter like we did in the last quarter.

Team Draws 8th – 9th April

Age Group	Day	Time	Home	Vs	Away	Location
8	Sat	9:00 AM	Bombers	Vs	Hawks
