All Calamvale Grand Final

Our under 15 **Youth girls teams** have both progressed through to the grand final this weekend where they will play each other. Their match will be a curtain raiser to the AFLQ Womens grand finals, to be played at Griffin Park, Birubi St, Coorparoo this Sunday, 19th August. The Calamvale Vs Calamvale Grand Final starts at 10:15am – It would be great if as many Leopards Members as possible could come along and support our teams.

PRESENTATION DAY

Presentation day has been set for 7th October at Algester Sports. Format will be similar to prior years, commencing with under 8 teams in the morning finishing with a full medal count for youth teams in the afternoon. Team Manager/Coaches will be advised of times for each age group as soon as the program is finalized. Keep your eyes on the website for updates/information.

FINALS AT CALAMVALE

Calamvale Leopards have “bid” for the right to host a number of BJAFL finals fixtures this year. Usually, these are in a “cluster” type arrangement, and require volunteers throughout the day. Any assistance that you may be able to provide will be greatly appreciated – and will directly benefit your club.

AFL Grand Final Day at Algester Sports

We have arranged access to the Big Screen TV at Algester Sports on Grand Final day – come along and watch the best sporting spectacle of the year with a group of friends/team mates and in the process, show your support for our major sponsor.

ANNUAL GENERAL MEETING.

U9 & U10 CARNIVAL

Could anyone who has photos from the Alexander Hills Carnival please email them to Murray Bell via records@leopards.com.au

PARK RIDGE GROUND 2008

Part of the Joint Growth Strategy for AFL in our area includes the development of football at Park Ridge. It is most likely that there will be one under 8 and one under 9 team based at Park Ridge next year, with the intention of providing a local football facility for the growing number of nearby residents. Any parents or players interested in playing for Leopards teams based at Park Ridge in under 8 and Under 9 age groups in 2008, please contact Brendan Selby. Similarly, expressions of interest for coaching roles for these two teams are also open.

MATCH REPORTS ROUND 15

U9 Blue vs Sherwood

Our second last game for the season was a home game for us against the Sherwood white team. An extra special day as our very own Matthew Byrne celebrated his 50th game as a Calamvale Leopard! CONGRATULATIONS MATTHEW! We had a great 50th banner for Matthew to run through on the day and he was so spurred on by his special day that he played extra hard and received Player of the Match! The Sherwood team certainly made us work hard to keep up, but outstanding performances from Cass, Matthew W, Benjamin, Hayden and Alec helped us regain control. Also spectacular play (as usual) from Braydon, Michael, Damien and Jackson, not forgetting of course the famous '3 Sams', Sam K, Sam B and Sam W! Our last game is an away game against Forest Lake next week, where our players can turn up looking very smart in their well earned club jackets from the Goal-A-Thon! In case our players don't see a newsletter after next week, a big thank you to all the Mums and Dads for bringing the kids to the footy! An extra special thank you to our fantastic coach, David Byrne, for giving his free time to teach our kids not just how to play footy, but how to love it! Thanks to our team manager, Lisa Sydes, for keeping us SO organised throughout the season! You've done great! Thanks to Peter, our goal umpire and to Sandy, our home game First Aider! To Dan and Jan from Skippy Pest Control, a special thanks for our weekly 'Player of the Match' trophies and last but not least, thanks to the Calamvale Leopards for a great season of footy! Can't wait until next year!

U9 Red vs Kenmore

Stuart Todd captained the Calamvale leopards black team on Friday night under the lights on the chilled Kenmore oval. Well done Stuart for showing leadership and skill as captain. A stand out performance was noticed from Jye who seemed to be everywhere. Damon similarly showed his talent of being all over the ball. Kyle played a good game that included a goal. The rotation between quarters was smooth and

organised. Thank you to our volunteers who assisted as goal umpire. This coming Saturday at nine will be the end of this year's season and I'm sure it will be a good game.

A good all round display where the boys demonstrated that whenever the focus on ball movement by hand and foot is directed to the right places and their teammates have made the effort to get to the right spaces then as a team we are very good. When we don't do this though the boys need to learn that they are just like everyone else and it allows the opposition to force a contest and it make it harder. Hence with one game left out at Sherwood next week the boys still have plenty to practice and learn. This week the boys thought a little more about the big 3 and it showed. But there is still plenty of work on always thinking about the next position you need to be in. Encouragement awards this week went to **Shamus** and **Vincent** for their high ball possessions and quick use of the ball. **Jarrod F** switched on and attacked the ball and he looks good when he does that rather than wait for the ball. **Zach** kicked some goals this week showing us he is a good player as did **Clayton** who also assisted many others with goals with good team work. **Jay** and **Daniel** set up the day in the middle with more thought on delivery of the ball. **Blade** used his marking and long kicks to help the team and **Jarrod N, Troy** and **Cooper** assisted the team with good efforts during the match. **Patrick** saw the difference between just kicking the ball down field and good delivery is generally the difference between us kicking goals and the opposition sending the ball back to the centres. **Josiah** was keeping his feet in hard contests and this allowed him to move quickly with the ball and his improved kicks were great appreciated by his teammates. This match showed that if you work hard and think results are a lot better. Well done lads.

U11 Blue vs Kenmore

Last Friday night Leopards Blue went up against Kenmore. It was a tough match but a good game. Our captain and vice captain, Adam Chappell and Rory Giles, encouraged everyone in our team. We were four players short, so we had to have two Kenmore players. Our top goal scorer, Luke, scored an amazing 6 goals, and in the end he scored his 60th goal. Well done Luke. And the Player of the Match was Alex Turner. And I hope the team will do better at our last match. Well done team. And I would also like thank Reece Witt for coming out to our game.

We took on west juniors this week on a warm Saturday afternoon, battling a much taller and stronger side. We held our own once again with all the boys playing at there best. The second quarter was outstanding with the forward line occupying 90% of the ball, the midfeild players were fantastic, keeping the ball in our attacking zone. Jesse Selby stepping up for a great match after clocking up 100 big ones, he played hard footy and collected a seasons best of 65 possessions, doubling his fathers career stats. Congratulations to Nick Young, a very impressive game by the boy, as a back player or preferred ruckman always consistent with a great set of hands and good kick, likes the occasional ginger beer and a good BURP. Overall the game play just keeps getting better, I'm backing the boys for a big win on our last game. Well done

Our second last game for the year and the players were thrown into some different positions to give those players who hadn't had a lot of the ball all year a touch of leather. Nathan began as a rover and chased all day. Mitch was given a run on the wing where he too had a good time. The usual ball getters were sent to the backline to learn some new skills with Angry and Fried Rice showing another side of their talent. Dylan got a position in the forward line for the first time all year, but the ball rarely got down there so he

didn't get his much wanted goal in his last game for the year. Bomber was getting cold at full forward so was sent to Fullback for something new to try. Daniel finished the game in the ruck and he loved it and so did the coaching box, great big smiles all round. Kurtis was again sent to the middle to give his legs a good try out. Matty was told to tag a player and worked hard at it. Hollywood was spending time around the ground running hard all day. Ben, who had just spent the last 16 hours on a bus from Canberra turned up and showed some great dash out of the back half. Jesse led from the front again but an injury slowed him down. Corey G and Corey T tried hard all game too. Antony gave his best forward and back, with Alex running hard despite a leg injury. Jordy did his usual in the middle before being rotated to centre half back then full back. Reece as usual gave his best and Carl did his bit too. Oh the score was irrelevant but we lost badly.

All in all the boys learned a lot this year, they learned that you cannot rely on a small group of players to get you to wins every week. They learnt that the middle group of development players are the essential building block of a team and they know they must improve their skill level for next year. They learnt that unless each and every player puts in his 100% then winning is just a dream. Last game this weekend coming we will be there for the fun and participation.

U15 Girls: Preliminary Final Calamvale Leopards Red V Bribie Island

Kindly sponsored by:

Well the Girls did it, but only just. The Game was a tough battle from the beginning. Both teams had turned up to claim that final spot in the Grand Final. It was a very hot morning for football, something that the girls hadn't been used to all season and it showed. There were a lot of hard tackles from both teams with all girls feeling that they had really played a tough game at the end. Well next week Calamvale Blue take on

Calamvale Red in the Grand Final. It really doesn't matter who wins as they have all helped each other and been one big team this season. Girls just take in the atmosphere and enjoy the day and mostly have fun.

Final Score: C'vale Red 6.5.41 def Bribie 5.4.34
Goal Scorers: Chrytal 3, Jessica 2 & Stephanie 1

U16 Leopards/C'wood Park vs Sherwood

Kindly sponsored by:

Well it is getting a bit warm again and the hydration coordinators had their work cut out for them on Sunday, Sherwood only fielded 16 players on the day so it was a good opportunity for the team to practice some different tactics and keep fresh feet on the ground. The guys came out of the start flying with first qtr results giving us a score of 8 / 2 / 50 and Sherwood scoreless. Second qtr saw the team keep up the heat and some great passages of play were seen using the wings. Qtr 3 saw Sherwood not give up and score themselves a goal and a point and while our team still kept up the pace and out score, there was a feeling that Sherwood still had a chance and fuel in their tanks. The last qtr it was all over bar the shouting and the team steamed home to a great percentage victory with final score being Leopards / Power 29/14/181 to Sherwood 2 1/2/8 Hats of to the following players who all in their own way contributed to the overall result, Luke Harris who scored a goal and a point and had some great passing to help score more goals. Scott Roberts for showing that when you don't retaliate to opposing team players or Umpires, you get the free! Matt Roberts who couldn't be touched in the third and fourth qtr with 4 goals under his belt. Jason Vergunst for some great rabbit runs and team sharing the ball. Danny Woods first week back from injury crumbed the ball so well from the centre and gave his all. Dom for the bombing kicks out of the centre. I tell you, all the boys should be mentioned as again it was a great team game. Dylan Coombs, Jarred Fahey, great kicks, great disposals under pressure. The list goes on.

Special mention to Cameron Baker our great Boundary Umpire who was bowled over in the third qtr by an opposing player (not deliberate). Cameron got up, immediately, dusted off and kept umpiring. Thanks Cameron! Last game this week coming where we take on Mount Gravatt at Collingwood Park. Hope to see all team and Parents there to the last game of the season before Finals. Go Leopards / Power!

2008 COACHES

It is fast approaching the end of the season and our aim is to get all the coaches appointed for 2008 before the trophy day so that they can address the kids for next year. If you are thinking about coaching next year please fill in the form available on the web and send it back to the club. If you know of anyone who would like to coach please give them a form and get them to return it, remember we pay for your course, anyone who wants to coach youth or under 11 next year please let us know so we can make sure you have Level 1 Youth qualification, not just the Level 1 Auskick. Hope to hear from everyone soon and get lots of forms back.
