Team Photos from Previous Years

We have some old team photos up in the office of teams from 2001, 2002 and 2003. If any one wants a picture they should come ask and they can have it free.

Injured Coach

On behalf of all the members of the club the committee would like to send their best wishes to Scott Weily who has suffered a severe injury to his arm during a recent game with the senior team. Our thoughts are with you during your recovery.

Service Road Parking

The Brisbane City Council have asked that the Service Road not be used as a Parking Zone, the amount of vehicles parking on this road is creating an unsafe condition for children crossing the road.

Signs will be erected soon to indicate it is a "NO STANDING ZONE" and hence the police will monitor the road and give parking infringements to those that do park there. The Club has been given access to the School Ring Road and we will be opening the gates for Match days. For training nights there should be adequate parking in bays prior to the roundabout on the service road. Parents help and understanding with this would be appreciated.

Canteen Roster

I have tried to work around most teams games but as you can see there are some gaps. If there is anyone who can spare some extra time your help would be greatly appreciated.

Thank you for looking out for your team mates. And thank you for being a wonderful group of individuals who have become a fantastic team.

A huge thank you to Darren Healy and Murray Bell for your support, encouragement, organization and commitment this year.

Joint Captains Jarrod "Jod" McKay led the team out through a huge banner to mark their fifty games. During the game, Jod showed excellent leadership skills for his age and Ben had a fantastic running game. It was a terrific way for both of them to celebrate their fifty games. Well done boys.

Kenmore Green came out firing and threatened to run away with the game. However the team stuck together and their determination and never say die attitude turned the game around. Their hard work was rewarded in a very exciting finish.

Isaac's marking has continued to improve over the season and Michael also put in the big effort to mark the ball. Matthew Hammel manned up well during the game. Shamus put in a very determined effort while Sinjin was everywhere marking and running well. Jay dominated the centres and Kurt created lots of scoring opportunities. Blade fought hard and thanks to Josh for playing for us. Braedon showed great maturity after an on field incident to get back up and keep playing. Matthew "Mac" McLean was a great ball boy for the team and can't wait to play next week after three months out with injury.

Overall Coach Robert commented that he thought every player had played their best game

this week and it was hard to choose someone for his Encouragement Award. However Daniel has shown continual improvement in all facets of the game over the season and he received the Award.

Coach Robert wants to thank his assistants throughout the year; Chris, Doug, Shaun and Adrian, their combined efforts making coaching the team so much easier. Big thanks to John for taking on the Match Day Team managers role and putting up with the demands of both Coach Robert and Administrative Team Manager Deb. Robert would also like to thank the fantastic parents for honouring him with the right to coach their children. It has been the greatest 2 years of his life watching the skill development and fun they have had. Finally Robert would like to thank the kids themselves. You are all the greatest bunch of kids in the world. It has been an honour and a privilege coaching you and learning from you all. I hope to see you all around the club next year, and look forward to seeing you all again in Youth Football.

Thanks to Coaches, Umpire, Goal Umpires, Larissa for jersey washing and Alison for oranges and all the helpers during the season. We've had a fantastic year and are looking forward to final match next week.

Under 12 Div 4

This week we took on top of the ladder Forest Lake in enemy territory, and let's face it boys and girls, we got hammered. So instead of focusing on the scoreline, let's look at the positive's we took from the game.

Starting in the forward line, Andrew could see the backline under heaps of pressure. Andrew couldn't wait to get back and help, and using his size and muscle, helped shore up our defence. Kurtis B and Jessica, both injured during some big spoils, but both managed to get back onto the field to be major contributors to the team. Adam and Jack, forced to defend against much bigger opponants, held their own. It was only the weight of numbers that allowed the opposition to score.

Carl, playing off half back, ran more then ever before. With a loose man in defence, Carl could run hard into attack, and then get back to man up tightly. Some very solid, legal tackles, Carl was one of our best.

Anthony, playing up from the under 11's, proved that he was not outclassed in the twelves. Plenty of run and hard tackling, our backline would of been lost without him.

Beau was giving the job at centre half back in the second half, and was always first to the ball against a much bigger opponant. Definately took the points in that battle.

Our forward line consisted of Courtney, Josh, TJ and Oren and they fought for the ball at every oppuntunity. Good marks by Oren saw him kick 1 goal, 1 behind, and Josh played his best game of the season, leading hard and creating contests.

With Beau and Jesse in the backline, the midfield responsibilities fell to Corey and Jacob

from the U11's. They did a great job, running hard and providing a link from backline to forwardline. Kurtis N was also running hard and marking well in the centre. Kurtis ran himself to a standstill, and very unlucky not to kick a great goal. His link play with Jesse was as good as we have seen all season.

Callum and Nick N were asked to play all over the field, from backline to wing to forward line. these guys did not stop running and gave a contest whenever the ball was near.

Jordan once again rucked the whole game, and with his great leap was winning over much taller opponants. He covered a heap of ground and never stopped running. A great testament to the fitness of this ever-improving player in his first year of AFL football.

Jesse was given the job of stemming the flood of goals. And stop them he did. Playing as a loose man in defence, he helped himself to 40+ possessions, running the ball from the last line of defence to our forward fifty. His link play with Kurtis N, Carl and Jacob was something to behold, and special mention to these players for looking for our running machine always running past for the handball. So dominant was he, the opposition even tried to tag a backline player but they didn't have the legs to keep him under control for long.

As i said, the first half we got hammered, but the second half we held our own, even winning the 3rd quarter. This says something of the "Never Give Up" attitude of this team. I am really proud to be associated with such a great bunch of kids.

Under 16 Girls

This week was our final game of the season. The Girls started the game slowly playing Bribies game instead of their own long kicking game. After half time the girls decided it was time to take matters into their own hands with Sam leading by example out of the ruck contests with great support from Jessica, Stephanie Barnett and Melissa clearing the ball. The forwards woke up and so the goals started to flow. Bianca, Mikaela, Stephanie S, Belinda and Sharree pushed hard making every forward motion go our way. Cassie, Amy, Rebecca, Brianna and Teneal became a wall in defense and both Brianna and Teneal showed their fantastic defensive skills getting many a ball free from the bottom of the pack. Our captain Natalie led by example from the beginning of the match earning herself a very sore arm that we hope will not keep her away for long. The win gave us a well deserved opportunity to compete in the inaugural Girls competition finals this Sunday. Please come and support the girls in their finals campaign at 10.00 am on Sunday at Logan Cobras.

Final Score: Calamvale 8.10.58 defeated Bribie 2.5.17

Goal Scorers: Sam 3, Mikaela 2, Jessica 1, Bianca 1 and Melissa 1
