CONGRATULATIONS

Well done to all our **Under 15 Youth Girls** players. The Calamvale teams finished as **minor premiers and runner up** at the completion of their home and away rounds. They will play each other in the second semi final this week, with one of our teams guaranteed a place in the Grand Final. The other team has a second chance and the opportunity to take on the winner of the first semi final for the other grand final berth. Let's hope we can make it an all Calamvale final! Irrespective of the outcome though – all at the club are immensely proud of you all – in more familiar terms: “How good are you”?

5 Star Community Coach Award

Congratulations to Paul Longley (coach of the U8 Saints) for receiving this award, for Term 2 2007, from the Active After-school Communities Program. This award recognises outstanding achievements in coaching within this program. Well done Paul!

MATCH REPORTS ROUND 13

U8 Roos

Week 13 saw Lachlan Cully run out in the number 1 captain's jersey against a well drilled Tigers and once again he showed some great form, along with the rest of the team including a five goal haul from Mitchell Patterson who has been hitting his straps in the second half of the season. The scoring was shared around with everyone kicking a goal or point. The encouragement award for the game went to Jacob Sexton who played extremely well and had the opposition baffled with his blind turns. Well done Jacob

I was unable to get a report in on week 12 which saw us playing 2 Games back to back , the first against the hawks with Saxyn Pobjoy running on as captain and he didn't stop running for the whole game he was everywhere sharing the ball with his team mates. The encouragement award went to Mitchell Patterson who gave us a great start with a 3 goal burst in the first Quarter. Well done Mitch!

Our second game had us up against the Pie/Eagles and Mitchell Patterson was our captain bringing his form from the previous game and leading the team who all played extremely well with Anton Coster and Jarrod Herman showing real grit and determination and were well backed up by Isaac Bax. The encouragement award went to Bailey Newbold who was solid in defence but also made a great run down the wing taking us into attack. Well done Bailey.

Well done Kangas KEEP HAVING FUN.....

U9 Red vs Sherwood

Saturday saw the rematch of the leopards and magpies at the leopards home. A slow start for the leopards but once they got rolling they were brilliant. The leopards were a full team bar one (due to the photo's) so the bench was in full use on Saturday. The rotation of players between every quarter was smooth and the boys showed maturity in their transition. Both Ethan and Brandon got a stray accidental knock but both were ok and continued the game at a very high standard. Bradley, Conrad, Kyle and Stuart shone with there attack of the ball. Lachlan C had an awesome game showing the precision with his foot. In fact there was not a bad performance by anyone on the team. Sherwood were shown a very improved & seasoned team on the weekend. Thank you to the volunteers who helped .

U10 Blue

I would like to start by apologising to Mrs Allan & Ben for giving the wrong time & place for last weekend. Benny I know you love your football mate. Thank you to Lucas Bell for playing on the weekend.

As we look back to the beginning of the season & remember this bunch of boys of whom only a couple of them had played together before & some some hadn't played before at all & each of them had something to offer. Trying to get a bunch of 10 year old boys to focus for more than 5 minutes on anything was a hard task at times. Thats where you need a coach who can understand & push them to bring out the best in each of them as individuals. We worked together

to combine these individual talents into a team of talented young AFL players who have just improved from game to game throughout the year. I have no doubt at all that if you played together as this team in a couple of years you would be unbeatable. Even so you will all be an asset to any team, thats for damn sure. Mick to see how you work with these boys over the season has been an honor to be apart of. The boys listen to you and you and I respect you for that. You've earned it mate. As for the boys well where do I start? I've enjoyed being there with you all at training and on the line with your parents cheering you on at the games and win or loose when you walk off that field together arm in arm signing that song loud and proud I have a smile on my face and a tear in my eye and proud of all of you. Bradley, Matthew, Braedon, Jay, Kristo, Lockie, Harrison, Ben you all show fantastic ball skills for your age progressing really well. Daniel, Kirt, Nicholas, wow guys you just keep getting better and better. Kaelan you have come from a shy quiet boy who preferred to hide in the back ground to getting face to face up close with the opposition and fighting for the ball. When you get a little more agro you will own the field.

Mick you and the boys over this season have earned the respect of the opposition teams; they all know that they are up against a team that if they want to beat they had to produce something special on the day and I know that from talking to the managers and that if nothing else, that is a credit to all of you. I also want to extend my thanks and gratitude to all the parents, you are always there at training, joining in and every weekend at games cheering the boys on. For the boys to know that their parents are on the side cheering them on; watching them kick that goal or make that mark, nothing means more to a child than to know that their parents are behind them supporting them in what they do. I take my hat off to all of you!

U10 Red vs Wests Juniors

Proudly sponsored by:
Ray White Real Estate Calamvale

Plenty for the boys to learn from this match. As expected West Juniors were a strong outfit and tested the boys particularly when we didn't have the ball. We will run though some of the issues as a group and move forward to continue the development. However key aspects are still understanding the number three aspect of our game. This means getting where we need to be for the next play and learning to take ownership of our own game rather than worrying about uncontrollable matters.

In difficult circumstances **Jay** worked hard until the end and won the encouragement award for

true team efforts. **Cooper** followed up his good week last week with a focused effort again. **Jarrold N** took a "Jezza" in the first quarter and also battled hard during the game as did **Josiah** who keeps the improvement ticking each week. **Jackson** controlled the centres in the second quarter with a polished display whilst we got some drive in spurts out of **Patrick, Shamus, Troy** and **Blade**. More willingness to get involved by **Alec** assisted the team efforts and **Jarrold F** looked to use his speed and poise with the ball at the foot of contests. **Morgan** loves the battle for the contest and with a touch more control in his endeavor he will take the step to leadership player. **Vincent** and **Daniel** opportunities weren't helped by the rotation of 16 players on and off and around the ground but they tried hard and showed why they are class players. **Clayton** is a skilful player and when he got the ball tried to deliver to his teammates whilst **Zach** gives plenty of contests and assists to the team. Hopefully the team photo turned out okay.

U11 Blue vs U11 Gold

On Saturday morning this week we played our fellow club mates from Leopards Gold in a home match. We saw a great performance from our team this week maintaining our successful run of the last few weeks. Our boys are really playing well together now developing those team skills that we're practising in training and bringing these into our games. We are talking to each other and shepherding on the field and this is making us a very strong force. Through all four quarters we kicked the goals in at a steady pace with the goal scorers this week being Luke, Josh, Michael, Tyler, Adam and Rory. At the same time we kept up a solid defence against the Leopards Gold Team holding off their goals. Again we borrowed players to make up our numbers for the game and appreciated the effort put in by these boys. I was proud to stand with our team this week for our photo, we are playing together as a great team this year. Thank you Leopards Gold for a good and fair game.

The Leopards were hard up against Forest Lake before the game with sickness and injury to key players. Bronson and Tyler continued their good form from last week and were very hard at the

Ball. Both players have improved over the past 2-3 weeks. Brendan chipped in with two goals from full forward while Isaac Mckinnis and Tze-Xien once again had a great game. Connor played well in the centre while it was good to see Jesse and Gabriel filling in for our team again. Well done to all the boys who are having a very good year.

U14 Leopards Vs Aspley

(Aspley 6.10.46 Def Leopards 2.3.15)

Unfortunately the Leopards were never really in this game. Even our customary first quarter effort seemed to desert us this week. Big challenges are ahead with our last 3 games against the top 3 on the ladder. I look forward to seeing a "Lions" type effort during our run down to the finals. We face the 3rd placed Kedron at Kedron on Friday night.

U14 Kenvale Vs Redcliffe

(Kenmore/C'vale 5.4.34 Def Redlands 2.10.22)

A much needed win for the Div 5 team to regain some confidence after some disappointing losses and consolidate our position on the ladder. There are some tough matches ahead with this weeks game at Ipswich on Sunday morning. This is a ground and team we are familiar with and should do well if everyone puts in the same level of effort and intensity as this week. Well done to all the guys.

U15 Girls:

Kindly sponsored by:

This week the under 15 Girls played their final minor round games at Yeronga. The Red Team played Yeronga 1 which was a very tough match with the Leopards running out winners 6.4.40 to Yeronga 3.2.20. Goal scorers were Jess and Chrystal with 2 each and Bree Buckley and Tamara with 1 each.

The blue team won on forfeit.

I would like to at this time thank our wonderful group of parents who are always there to give support and help. I would also like to congratulate the girls on finishing the season in first and second place only separated by percentage. Girls enjoy the finals and play for every moment it will be something you'll remember for the rest of your life. No matter where the finals take us, there is something I need to ask you all.....

HOW GOOD ARE YOU!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

U16 Leopards/C'wood Park vs Logan

Kindly sponsored by:

This week we travelled to Logan with expectations of another hard game, and it didn't disappoint. We had a few injuries coming into this game, with Will Saver injuring his toe again which will keep him out until the first or second final game and Danny Woods pulling out on the day. Club photos were taken, all the young men looked splendid, then it was down to business. "not losing three in a row" and putting our finals campaign back on track. The weather was starting to warm up and with a 12 o'clock kick off, it was going to be hot out there. Well done to the three water boys that kept the fluid up to our guys all game. The boys ran out in the first quarter all gee'd up and inspired to win. Logan, to their credit gave it right back at us and the quarter see-sawed with us holding a slender 1 point lead at the first break. You could see that this was not going to be an easy game to win. We had some players that were a bit crook with colds and the flu, and at the quarter time break, there was lots of boys breathing deep, sucking the air in. The second quarter saw Logan come out all guns blazing and putting us well and truly on the back foot. The boys fought the quarter out well

and the back line held tight. Scotty and Matty were finding their feet again and playing well. Jarrad took a very good finger tip grab running backwards with the flight of the ball. At the long break, Logan had a 6 point lead. At half time, the shade under the trees was a welcome feeling for the boys, as they cooled down and rested for the second half. Coach Leigh made a few changes to give our runners some well earned rest and Bert spilled the jelly beans. The third quarter saw another tight tussle with both sides not giving an inch. Brandon was getting a lot of the ball and delivering the ball with precision, unfortunately the forwards were again a little wayward and didn't convert as many as the team would have wished. The back line held firm again, with Justin Ashby playing his best quarter of football, putting his personal safety aside and ensuring hardly anything went past him. Well done Justin. The end of the third quarter saw Logan with a handy lead of 13 points. The last quarter was nail biting to say the least. We got off to a flyer kicking the first goal, which gave the boys some well deserved confidence. But from there it was a bitter struggle with both sides going in hard. Our forward line was getting bombarded by our centre players collecting lots and lots of possessions, and we kept inching our way closer to their score by scoring behinds. Logan kept us at bay for a long time until Scotty came bursting through the centre and with a penetrating kick deep into our forward line, gave Jason the opportunity of taking a great mark directly in front, 30 metres out. Jason nailed the kick, which saw us take a one point lead very late into the last quarter. Jason's goal was the last score with the siren going about twenty seconds later. In this game, the boys showed the ability to come from behind and win a game with guts and determination. Well done to all that played. The final score C'vale / C'wood Park 6-12-48 to Logan 7-5-47.
