Our last game before the school holidays was held at Forest Lake on Saturday June 28th. It was

a great game, with everyone playing hard and enjoying the day! Sam B and Matthew B were in top form as our faithful defenders, working hard with Damien and James to keep the ball moving in the right direction. Michael and Ben also played a fantastic game, ensuring the ball went through the goals, either by their footy boot, or passed on to Matty W and Dean to make it through! Sam K was fantastic, as usual, in taking some spectacular marks on the day, along with Chandler, Braydon and Alec. Awesome team work in the back by Cass and Will, and again, Matthew B, who had such a great game, he ended up being named as the Under 10 Blues 'Man of The Match'. Matthew worked extremely hard to earn his awesome trophy, as kindly donated by 'Skippy Pest Control', and was very proud to take it home!

WELL DONE MATTHEW!!!

Friday night's game against Ipswich was quite a cold night and a change from the last time we played each other. Ipswich showed they had a game plan and they played it well. Our team went out hard and fast in the first quarter. We showed that we can play as a team as well as with some great individual plays.

The second quarter started out the same but during the quarter something happened and we lost the team work which then carried through the rest of the game. Throughout the last 3 quarters there were a lot of individual plays but not enough team work to take out the opposition leaving them to run circles around us.

It's important to remember that when you play as a team you are awesome and a match for any team, however your fitness level and team cohesion needs improving. Boys a team consists of not just the players but also the coach, manager and supporting parents and each of us has an obligation to each other. You're not just there for yourself, you're there for the team as a whole and each of you have an important job.

As your coach and manager our obligation is to prepare you for your games on the weekend which comes from a combination of ball skills and physical fitness and most importantly team work

skills. Your obligation to us is to listen at training, do what you are asked and take it with you on the field come game day.

Lets go hard at training boys, listen and learn and you will be surprised at what you will achieve. Go hard boys, show us what you're made of.

The boys came up against an under manned Sherwood White on the weekend with six players from the U10's backing up from their game to help out, this wasn't what Coach Bob was looking for after the Bye weekend a hard game was what was required as the boys training attendance has slipped considerably over the last couple of weeks.

None the less you can only play what's put in front of you and once again the boys showed that even with a disruptive preparation their class once again showed through.

The first quarter saw some fine attacking football with Daniel's run down the forward flank to goal as good as anything seen at the Leopards Den in quite some time, he was ably supported by Lucas, Jay, Jake F who spent some much needed time in the forward line rather than his usual position down back where he absolutely dominates with bone rattling tackles.

During the second quarter Coach Bob continued to place the players in foreign positions in an attempt to both get them out of their comfort zone and try some other combinations in readiness for youth footy next year, Cooper, Alex and Jay among others showed that they can handle anything the Coach throws their way in a pleasing effort.

The third quarter was much the same with Morgan having an absolute blinder through out to show both his Dad and Brother that all the work put in down at the local park is paying dividends. Jarrod again showed what an asset he is becoming with some great crumbing at ground level to kick some quality goals none better though than Shamus's effort in front of goal over his head to score the goal of the year thus far.

The boys and their families travelled to Strathpine on Sunday for our latest encounter. Being the first weekend of school holidays

combined with injuries to Jesse and Damian, the team was a bit short staffed. Thank you to Dylan for stepping up from the Under 12's to help out on the day. He had some good possessions and made a good fist of the step up in company.

The team has been travelling well this year but are struggling to play all four quarters to the level they need to be competitive when we get to the business end of the season. It seems that despite the great preparation work that the coaching staff are putting in, the team are still preparing to play at a certain level they think will be sufficient to get the job done. It is so important that the team start to commit to four quarters of intense football before it is too late.

The game on Sunday was a fairly physical encounter with Strathpine welcoming back three players who had been absent and the team really presented a physical presence in the contests for the ball. The boys competed and fought hard in the first quarter kicking 4 goals 2 behinds and the defence continuing the great job they have been doing all year restricting Strathpine to 1 goal 1 behind. The second quarter presented plenty of scoring opportunities for the boys but our direction was wayward as we kicked 2 goals 7 while keeping the opposition scoreless.

It was a close struggle again in the fourth quarter before the boys finally sealed the deal in the fourth quarter gapping the opposition by 43 points.

This game allowed Ben Auld to step up and showcase his running game and he had his best game of the season. He was well supported by Dylan Raabe, Jake Humphries and Corey Taylor who continues to improve each week. Mitchell Bell was strong and hard at the ball all game despite some extra attention he was receiving off the ball. In the final quarter he was rewarded with a goal following an excellent effort where he charged down a kick when putting their defence under extreme pressure, recovered his own crumbs and kicked the goal. This was a great effort, Ding Dong! Roo chimed in with a couple of valuable goals and Jordan had his normal quality game with Magpie and Happy also making solid contributions in the defensive unit.

Boys, enjoy the weekend off and get ready for stepping up to prepare for the march towards the season end. Thanks to all the parents who continue to support the boys and the team. We have a great bunch of boys who are a credit to the club.

Round 11 had us up against the younger Jindalee Jaguars who once again were gracious in defeat after the final score of 12-13-85 to 0-1-1

It wasn't one of our better games but lucky enough we still came out on top.

The Jindalee girls are an inspiring little bunch and if we hadn't been the bigger; more physical team they would've had it on us as their ability to follow through is unbelievable.

Some of us were tried out in different positions which also held us back a little.

However, still a good effort from our girls with a few patches of good strategic play.

Goal kickers – Emma 6, Elvis 3, Anna, Chrystal and Catelyn 1.

This week we played at home against the undefeated Kedron. Our girls were amazing, they were focused and ready to play when they arrived. I don't think Kedron knew what hit them, with our girls keeping them scoreless in the first quarter but putting 3 goals 2 on the scoreboard themselves. There were some sensational efforts all round. Madeline led the way with a true captains game. Her voice could be heard loud and clear and she was unwavering in defence. She was well backed up by both Tegan and Bec.

Tegan stayed with her player and fought hard to make sure every touch her player got was hard earned. Bec ran through packs like a freight train picking up the ball on the run and clearing well. Adriann played an inspirational game playing a tagging role and cutting Kedron's (usually) best player out of the game. She was tough at the ball and even tougher on her opposition. Monique has definitely taken to the position of ruck, winning her position to the point where her opponent (who has played rep football) stood in the middle of the ground sulking and gave up. Emma played out of her skin giving great pace and positioning down the field. Bree continued her good form with her ever reliable marking skills being used to our advantage.

Rhiannon and Stephanie formed a magnificent two pronged attack. Stephanie with her almost freakish smothering techniques and great running ability ran the Kedron defence ragged. Rhiannon using two hands was accurate with her kicking and at times had great foresight to play on to the team's advantage. Beth played the perfect crumbers role. Ready and waiting at the back of packs she was quick to find the ball and make the most of it. Bethany one of our youngest

players has come ahead in leaps and bounds, always trying and even starting to shepherd. Monique our other little one arrived late to the game and only got to go on in the 2nd quarter. On her first kick she pulled a muscle in her leg and was unable to take further part in the game.

Once again, thank you to our wonderful parents, who are always there to help. I don't think many other teams would be lucky enough to have the level of support and help we receive.

BEST PLAYERS: You were all magnificent

Pies Match report

We started out well against the Hawks, we kept in touch with them thru the first quarter. We all worked hard as a team and we had many options when we were kicking to each other. Keep making space for yourself and call out to your team mate who is kicking.

Everyone put in a great effort which is great to see. Well done to Ben for receiving the man of the match award you played very well Ben. Great work to all of the team keep up the good work. Go the Pies

We played our rescheduled game against Ipswich this past Saturday, playing a home game at our favourite oval right here in Calamvale!

Hard work put in by all players, with standout play from Sam K, Cass, Chandler and Matty W in the first quarter, getting us off to a good start.

Second quarter saw things heating up, with great marks from Braydon and James, some goals from Chandler and Matthew B and some

fancy footwork from Dean! Third quarter saw Alec shine, giving some awesome performances for all to see, joined by Will, Michael and Damien in the final quarter. 'Man of the Match' this week went to *Alec*, who was easily able to prove himself as a real star all game! Standing out in the third quarter, and making a great impression on the coach, Alec was awarded his trophy, as kindly donated by 'Skippy Pest Control' and headed home with pride! WELL DONE ALEC!!!!

Saturday we travelled to Jindalee to take on their under 10. With both teams fielding nine players it was an open game with lots of ball movement. With ever improving skills and plenty of good teamwork our boys started the game with good goals to Jye and Lachlan. In the second quarter Jindalee hit back with some good goals. Once again our teamwork did not let us down and we kept the score board ticking over.

The third quarter saw the ball once again finding the forward line and good goals to Brandon, Kyle and Mark. With a dominant performance in attack and defence the boys finished the fourth quarter strongly. Man of match Brandon put in his best game of the year and was backed up by Kyle, Jesse and Jake all putting big efforts. Well done to all the boys for their improving skills and their great teamwork.

Our rescheduled match (round 8) against Yeronga was played on Friday night June 27.

We were defeated 8-7-55 to 2-6-18 (We blame our loss on Paul, who unfortunately couldn't get to Yeronga during the week to spy on them at training and steal their tactics. Ha Ha ☺)

It was a freezing night but the fast play and lots of running kept us warm!

All our girls played well and the scores were fairly even up until the final quarter when Yeronga came out and ran rings around us. Goal kickers – Ayrle and Elvis
