Newsletter – 18th July 2007 (ed 18/2007)

From the President

This week I would like to pass on the club's thanks to the players and parents of our under 8 teams. Despite some teething and programming hiccups (which have been resolved/addressed as quickly as possible), your participation in the ground roots start up of a satellite competition at Park Ridge has been a huge success for the club (and the future of this group of players). As a result, planning is now well underway with AFLQ to actively develop this concept (and assist with facilities, etc) in conjunction with Calamvale Leopards. It is envisaged that we will have under 8 and under 9 teams based at Park Ridge next year, with players living close to this area given the opportunity to base themselves there as a "home ground" and drawing coaching/team managers from the local community. Similarly, we will work closely with the School and AFLQ to develop facilities that will provide more of the creature comforts of a home ground, plus actively implement recruitment and targeted promotional programs.

In short, thank you for your patience, dedication and perseverance. Your contribution has been invaluable to the ongoing development of Calamvale Leopards JAFc, and provided the cornerstone for focusing Junior AFL participation in this rapidly growing area.

Please contact me if you have any queries, or would like to find out more about the long term plans for this strategic development in conjunction with AFLQ – I will be only too happy to help.

From Footy Ops

The year is fast coming to an end and we are starting to get ready for next year. There have been a number of problems this year due mainly to the problem of getting coaches appointed early in the season. For this reason we are hoping to appoint coaches for next year prior to the end of this year, therefore we are calling for names of fathers, mothers, brothers and sisters who are interested in coaching a team next year to submit a nomination before 18th August 2007. If we can get the coaches early we can also hopefully set up the team managers and then teams early so that on sign-on day next year you will be told what

team your son/daughter is in the name of the team manager and when that team are training. This will then enable next year to run a lot smoother than this year. I apologise to all parents, coaches, managers and players for the confusion of this year but please be assured that next year will be 200% better.

kind regards and best wishes for your football

Shane Hackles

MATCH REPORTS ROUND 11

U8 Roos vs Saints

It was another hard fought battle against the Saints at Park Ridge with the saints gaining the upper hand in the first half. Bailey Newbold ran out as the kangaroos captain and was solid in defence and was well supported by his team mates who shared the ball around and showed some great skills .The boys made a great come back in the last half which saw them control most of the ball in the last quarter and they worked well to kick multiple goals, Saxyn Pobjoy played a great game and was rewarded with the encouragement award. Well done Saxyn.

Well done Kangaroos

Keep having FUN

U9 Red vs Blue

Great to see all of the boys enthusiasm back after the break to take on the Calamvale U9 Blues. Zac Manners did a fine job as captain for the day leading by example. All the players are improving their skills each week as was shown by Stuart Todd having another great game. Our centre players did well with Lachlan Crook becoming a regular stand out. Our whole U9 team continues to play a fair and good spirited game every week and should be congratulated on their sportsmanship, keep up the good work guys. Hope to see you all at training for the goal-a-thon and don't forget team photos 9:50am on Sat 28 July be ready at 9:30am. Congratulations to the boys who played in the winning combined U9 Leopards team on July 1 at Alexandria Hills. They won all 5 games and came away "Champions."

U10 Red vs Yeronga

Proudly sponsored by:

The boys warmed up a frosty morning over at Yeronga with a red hot polished display. The boys have been working hard at training recently to move the ball in numbers through hitting targets and then moving to the right position to receive the ball next time. **Josiah** has raised his game this year to providing good sustained attacks at the football. We still need to work on kicking skills and keeping his feet but the volume of ball being won now is terrific and he won player of the match. The boys were sent out with the message to win their first contest of the match so **Jarrold F** went out and won 5 in the opening minutes. **Shamus** provided the team with the much needed in and under wins of the ball which is impressing the coach. **Jarrold N** has worked hard at marks over his head in recently weeks and today took a beauty in a contest along with some other good

team efforts. **Daniel & Jackson** gave the usual winning drive as did the much improved **Troy** and **Alex** who are thinking about how to play their best football. **Morgan** continues to provide great contests when his brain is on as does **Patrick** and **Blade** when they get determined to win the ball. We need more and more of that. **Jay** continues to win the ball a plenty and is now got his act together with ball delivery and **Clayton** is kicking goals and using the ball quickly and accurately.

Just a few weeks left now for the season and it is important that the boys keep practicing the very basic skills each week. The best team strategies simply won't work without smart minds and good basic skills. It's no longer acceptable to win the ball and not use it properly. As you move up the age groups you'll simply get walloped against good teams if you don't practice ball control. Similarly with good body position in contests on ground or in the air. Under 10's Red team rules remain the same for all, short or tall, big or small. No one runs around you when a tackle should be applied and manning up to make a contest when the opposition have the ball is not negotiable. That is team play and makes the difference between a team with good players and a good team. Remember also you boys will waste your breath whinging about umpires to me. I need players to quickly understand what decision has been made and then move quickly to position. Save the whinging for someone who will listen to that rubbish.

The Leopards Red's played the Leopards Gold in what was a very entertaining game of football from all the the Calamvale boys.

For the reds Issac , Brendan , Tyler , Rhys and Beau played well while Bronson and Jack were always hard at the ball. Tze-Xien took two good marks in his 50th game. The boys are improving each week. Well done to both Calamvale Teams.

U12 vs Caboolture

Kindly sponsored by:

The Leopards played at home to Caboolture and were beaten by a better side on the day. Our boys spent too much time kicking to the opposition and not following the drills and coaches instructions when they had the ball. It will be along tough finish to the year now for the team. Only item worth reporting from game was a spectacular mark by Bomber.

U14 Calamvale vs Springwood

Kindly sponsored by

After a 4 week break this has been a much anticipated meeting with a quality side which included some ex-leopards in the lineup. The first quarter went well with our boys holding their own for the majority of it. Unfortunately we were not able to maintain that standard into the second quarter which proved costly with Springwood kicking away in extra time to a handy lead by halftime. After halftime the Leopards came out with some renewed vigor which saw us again holding our own and even having the better of the possession but were unable to convert it on the scoreboard. Going into the last quarter 6 goals down was a tough challenge but we gave it a shake with better running play and harder attack on the ball but we were unable to bridge the gap. Promising signs for the games ahead if we can maintain and improve on our final quarter efforts.

U14 Kenvale Vs Southern Redbacks

A cold early morning start at Calamvale and the combined team had turned up to play football taking the game right up to the Redbacks taking on an early lead despite some inaccurate kicking. Bluey found himself tackling the rucking role and was enjoying the freedom around the centre of the ground and being well supported by Snoop through the middle of the ground providing regular defensive efforts when the ball was coming out of our 50mtr and fed it straight back in. Coach David was not at all happy when three quarter time arrived as our lack of effort allowed to opposition to score. The final quarter was better and Kenvale

came out dominant winners. Well done to all our players in today's game.

U14 Thank You

I would like to thank Doug, Glenn and Bob for their assistance at the ground on Sunday. Without these guys we would have struggled to find the manpower to fill the required roles the game could not have commenced. They also packed up and closed the clubrooms for us so that Fred and myself could make it to the Div 3 game at Springwood. With both Fred and myself at the Div 5 game Jeff was left to his own devices and would like to thank those who assisted him in our absence.

U15 Girls:

Kindly sponsored by:

Under 15 Girls Red

This week we ventured out to Kedron. The Girls practiced Goal kicking during the week and we think used them all up at training.

The Ball was constantly up our end but converting it was very hard. All of the players worked hard with Stephanie leading by example. We must make special mention of Maddison Bell's game who stepped it up a level and was seen to be fighting hard and clearing the ball well out of packs. The Girls ended up running out winners with a final score of 5.15.45 to 0.0.0. Goalscorers were Jessica Malouf with 4 and Tessa Lund with 1.

Under 15 Girls Blue Won on Forfeit.
