Friday night saw a close game played by Under 9 Gold and Sherwood. There was a good effort from all players right across the four quarters. Excellent centres cleared the ball and the forwards followed through with some magnificent goals!

Some admirable sportsman ship from Jared, Isaac, David, Jacob, Thomas, Jarrod and Braydon who filled in for Sherwood when they were short of numbers – Well Done! A HUGE thank you goes to all our parents and grandparents for their help!

A home game for our team this week against Collingwood Park. The boys were very keen to get out and kick the footy, after having all games cancelled the week before, so everyone was well rested and itching to go! Tylah had a fantastic game again this week, kicking a few goals and taking some fantastic marks. Alec, Braydon, Sam K and Matty B were also goal kicking machines out there, giving the team a great boost to get out there and play harder! More goals this week from Ben, Damien and our new team member Will, who had a fantatsic start as the newest member of the Under 10 Blues! Great game Will! Sam B also had some great success on the field this weekend, taking some nice marks, as did Matty W, Chandler and Dean.Great to see Dean back after his absence from illne

The weekly 'Man of the Match' trophy, as kindly donated by **Skippy Pest Control**, this week went to Michael! Well done Michael! We all saw what a great game you played this weekend and Coach was very impressed!

Keep up the hard work everyone!

Saturday saw the boys playing Jindalee at home in slippery conditions where ball control was always going to be difficult. The first quarter saw our centres move the ball forward where we were able to score some good goals. In the second and third quarter we failed to control the football, which enabled us to get the ball forward to keep the scoreboard ticking over.

The final quarter saw a much improved effort in our ball control and our discipline, and were able to get some respectability back on the score board . Well done to Kyle, Jacob and Zac - all putting in strong games . Congratulations to Brandon, Jye, Conrad, Lachlan, Zac and Stuart for being selected in the rep sides to play at Alexandra Hills next month.

The boys played against Sherwood Black on the week end and once again their class got them home.

The first quarter saw the boys dominate all over the field with defence the high light led admirably by Brendan Telford and backed up by Jake Farrel who had his best game of the season against willing opposition.

The second quarter continued in much the same manner with Jake Magee showing the faithful what he is capable of, backed up well by his forwards in Jay, Jarrod, Blade, Shayne and Lucas.

The half time break couldn't have come at a better time with the boys leaving the field on the back foot after some much needed determination shown by Sherwood, once again Coach Bob reinforced his game plan which unfortunately didn't appear to get through as the boys were extremely complacent which hasn't been the case thus far this season.

For the very first time the Leopard boys were out scored in a quarter of footy this year which meant our back line stars had to step up to the mark and repel the attack which came their way, Alex, Morgan, Cooper and Daniel continually

booted the ball back into the centre square when needed most allowing Patrick, Lachlan and Shamus the opportunity to clear the ball out of their danger zone.

The last quarter saw the boys hang in there and continually frustrate both the opposition and Coach Bob with a hot and cold performance all over the paddock, finally kicking clear in the end.

Full credit must go to the opposition who continually asked questions of our boys and at times appeared like they could dominate proceedings. Sheer hard work from our boys in a performance which could only be described as complacent at best and some intelligent coaching from Bob allowed the boys to walk off the field with some relief rather than satisfaction.

Always remember boys that the hard work has to be put in on the training paddock first before you can take it into a game situation with each week presenting different challenges which have to be met with the same respect and determination, it doesn't matter what the score is if we play to our strengths and potential each week scores will look after them selves.

Our encouragement award this week was deservedly one by Brendan Telford who showed that he is not only a prolific ball winner when the ball is at ground level but just as importantly a potent defensive weapon when needed. Well done Mate.

A big thank you to Christoe from the Blue team who handled himself very capably in this team and his work was invaluable in our performance. Also to Alec from the U10's who stepped up a level and didn't let himself or the team down with his performance.

Last, but in no way least, GO THE MAROONS on Wednesday night.

Well once again another game seeing us up against a new second on the ladder, we had beaten Aspley quite comfortably last time we played them and perhaps that made the players a little too confident. And along with a wet field, a heavier ball and a slightly different game plan due to wet conditions, we didn't start very well. It certainly wasn't from lack of trying but a little too much over possessing of the football saw us make too many mistakes and this helped Aspley to a 6 point lead at half time. However it was great to see the boys reform in the second half and dominate play to take a 7 goal to one second half. From the coaches point of view it was great to see how the boys reacted to a bit of scoreboard pressure something we haven't had for many weeks. Once they started to lead towards the heavier football we never looked back and all players really picked up both there effort and their skill level in the second half. Bluey once again

was outstanding in the ruck and once the communication in the centre got going we started winning the ball with regular monotony and the ball was delivered fast and accurately to Shane who converted on the score board. Good to see Magpie back and he had a great game especially when the team was under pressure in the first half along with Dylan Raabe who also played well under pressure. Jordan was at his normal best and Zeb picked up a few goals at important stage of the game when moved from his usual spot on defence. Corey also did very well when moved into the ruck contest.

Well done boys another great win, don't take wins for granted enjoy them all with the same enthusiasm

Calamvale had two players who had made the Training squad of 38 Players Brenton Meddings and Jordan Plumridge.

Unfortunately on the final cut down too 25 Player Both Brenton and Jordan missed out on behalf of the Calamvale Leopards U/14 Team we would like to congratulate both boys for the efforts they have both put in over the last 3 months and longer to make this side. Both boys should be very proud of their efforts, I know all us involved with the U/14 team are. And I hope that the great start to the season both of these boys have had continues well done to both of you.

Jordan Plumridge was invited to join the AFLQ Colts side which still gets to play in the U/14 representative championships on the Gold Coast June 30 through to 4th July. We wish Jordan all the best and congratulate him on this achievement.

KICK AROUND AUSTRALIA

Thursday, August 7 will mark 150 years since the first recorded game of football was played.

To celebrate this milestone, Kick Around Australia Day has been scheduled, giving all Australians the opportunity to join in the celebrations.

As part of Kick Around Australia Day, primary and secondary schools around the country are encouraging students to wear their footy colours to school, organise kicking and handballing competitions or complete one of the new footy themed programs that have been developed in line with the curriculum.

To register your school, visit afl.com.au/schools.

Businesses across Australia are also invited to join in the celebrations by offering employees the opportunity to stop work and have a kick of the footy on August 7 or wear their footy scarf to work.

Community football clubs can take part in the festivities by holding a BBQ or pie night after training
