Newsletter – 13<sup>th</sup> June 2007 (ed 15/2007)

## GOAL-A-THON

Next week at training each player will be given a Goal-a-thon Form.

The players will have three weeks to get as many sponsors as they can and will be required to return the forms to the club for the week ending the 13<sup>th</sup> of July. The following week we will have volunteers out with each team getting the players to have twenty shots at goal each. For any player who raises \$35 they will receive a club jacket with the club logo on it and for any player who raises \$40 they will also receive their name on the back of the jacket. The jackets will be presented to the players within two weeks of the goal-a-thon. So when you get your form get out there and get your sponsors. Just think no more shivering or having to find something to match on those cold football mornings.

## 2007 PLAYER MILESTONES

A HUGE Calamvale Leopards roar of congratulations goes out to the following players who will reach game milestones over the coming weekend.

**Brenton Meddings (U14) : 150 games**

**Casey Wild (U15g) : 50 games**

Well done, a super achievement for both players!

## Thankyou to Trainor Transport

A huge Thanks to Mike (and Bob) from Trainor Transport for their donation of truckloads of Treated Bore Water which has been extremely useful in keeping the centre area soft enough to play on during severe water restrictions. Anyone looking to purchase potable or recycled water for domestic or garden use would be well advised to contact Mike Trainor on 0418 719 638. Remember that supporting those businesses that actively support the club can only improve the facilities available to your child at Calamvale.

## PARENT CODE OF CONDUCT

An article in Sundays paper regarding behaviour of parents at childrens sporting venues has prompted us as a club to re-visit the AFL Parent Code of Conduct – your child will come home with a copy of this today please take the time to read it with your family so that we may continue to be a positive example in this area.

## POWERBALL PLUNDER – week 1

The winner for the first weeks draw is Maria Whatley (Reserves). Congratulations Maria! Anyone who has purchased a number please don't forget to pay your 5 wks asap.

## MATCH REPORTS ROUND 8

### U8 Roos vs Tigers

Another night game for the Kangaroos and with Anton Coster leading the team on in the freezing cold evening the undermanned kangaroos more than accounted for themselves. There determination and zest to compete for the ball more than made up for them being 2 players down. Saxyn Pobjoy and Lachlan Cully worked the ball well through the centre allowing the forwards to run onto the ball with the likes of Mitchell Patterson and Jarrod Herman kicking a couple of great goals. Timothy Wray was hard at the ball as always and was able to sneak a goal or two as well. Jacob Sexton and Anton Coster fought hard in the contested situations and were rewarded with some positive possessions. Jarrod Herman played a fantastic game and received the weekly encouragement award. Well done Jarrod.

Last week I was unable to get the kangaroo match report in on time, so I would just like to mention that Jacob Sexton lead the boys against the hawks and Lachlan Cully was the recipient of the encouragement award for his consistent good form .

Well done Kangas - Keep having FUN....

### U9 Blue vs Sherwood

A cold and windy trip for our team travelling to Chelmer to play against Sherwood this week. Great play for all of the boys again with confidence and skill growing every week! Very strong defence as always from Matthew B, who rarely lets a ball pass! Working with Matthew were James, Tylah, Sam B, Chandler and Sam K. Excellent marks from Matt W, Hayden, Benjamin and Michael. Well done guys! Great goals by Alec, Braydon, Jackson, Damien and Cass. This weeks 'Player of the Match' went to our newest team member, Cass, who had an awesome game and played really hard.

Cass took home a fantastic trophy as kindly donated by Dan from 'Skippy Pest Control'. Well done Cass!

### U9 Red vs Kenmore

Damon Nicholson captained the Calamvale leopards black team on Saturday against a rougher team than we are accustomed to. Well done Damon, he showed determination and skill when ever the ball came his way. The wind was an obvious advantage to the team playing with it on Saturday. Our boys started against it and it stunted our kicks which would otherwise go a lot further. The wind also made judging where the ball was going a lot more of a challenge. A challenge the team mastered before long. Zac Manners had a stella performance showing no fear whatsoever when attacking the ball and following with that boot of his we have all come to know. Brandon Russell performed well having to use an almighty kick to get the ball out of the backs against the wind, good job. Thank you to our volunteers in the canteen, ground marshal, goal umpire and first aid.

### U10 Blue vs Forest Lake

Fantastic boys! Bitterly cold Friday night we would have all rather be home rugged up but it was worth freezing our butts off to watch you boys perform! To pick any one person out off the game would not only be unfair but would be dead wrong of me because there is no 'I' in team and a team is what we all witnessed Friday. All you young men of the under 10 blues should be proud off what you have achieved and become, not only as AFL players but as sportsmen with the understanding that they both go together. I would also like to express my gratitude to Mick and all the parents, it is your dedication that has contributed to the growth of the young men of the under 10 blues. Thank you all.

### U10 Red vs Jindalee

I can only describe the quality of this match as division1. Two very good sides put on a quality game for both sets of supporters showing that it is possible for junior footy to be highly competitive and be played, coached, umpired and supported in the right spirit. We also got the close match needed to test the boys and allow them to improve. No doubt Jindalee will take much from the game also. The match started to script with Jackson providing the mark of the day in the opening minutes and then slotted the goal from good distance. However Jindalee provided us with a hard but fair contest at all levels. The best part was when either team made a mistake the other was good enough to take advantage and this really make the boys learn that quick and cool minds will win footy games. Some good work from the blossoming Troy showed us when you attack the ball, and not the player crudely, you get the free kick more than the opposition. Zach challenged well and played a great game. Morgan was feisty and heavy in the thick of the action and this lifted the team. Blade took a strong mark and is really starting to involve himself in general play now whilst Clayton, Jay and Vincent (when he got there) moved the balled skillfully and with poise from the centres. And as we saw this makes a real difference to the awaiting forwards. Jarrod N took a strong mark and is contesting for a lot of marks now, Daniel excelled as did Alec in his best game for a while and Cooper gave the team good service with tackles, kicks and marking attempts. However Patrick truly shone in the last quarter in the backline in some of the best focus and controlled attacks on the footy at under 10 level I have seen and deservedly took the player of the match honors. A great match with plenty of some terrific efforts and performances. However there is still plenty to learn and practice. Basic skills need to be better and our minds need to always be thinking about the game (where have I got to be) and not watching and then reacting because anyone can do that. The best players think and then do and before you know it, they are best positioned for the contest. Thanks for the support of all our parents for the positive support for the effort and spirit of all involved. If the style of footy was like Saturday every weekend I'd just dream the week away.

Match report not submitted. Well done to all players!

## U11 Gold vs Ipswich

**Kindly sponsored by Lazer Security &**

Match report not submitted. Well done to all players!

## U11 Leopards Blue vs Sherwood

This week the team unfortunately only had eleven players. This meant that everyone had to run harder and further. Sherwood were good enough to only field eleven players, however they were still able to show our boys how to shepherd and play on. Our boys displayed a lot of heart and tried their very best. Sherwood were too good on the day, which can also be viewed as a positive as it is good to learn how to lose, but more importantly how to grow from that experience as a team. The Captain, Adam Chappell, and Vice Captain, Rory Giles, demonstrated leadership throughout the game. They lead by example and motivated the team at every opportunity. Adam's effort saw him awarded the player encouragement award – Well done Adam. The team was able to get the ball in to the forward line in the last quarter and Luke Gallaher swooped in and scored a strong goal – Well done Luke. The Coach and Assistant Coach were particularly impressed with the boy's positive attitudes throughout the entire game. Training this week will focus on the shortfalls identified during this match. See you all at training, regardless if it is raining!

## U12 vs Kedron

**Kindly sponsored by:**

Match report not submitted. Well done to all players!

## U 14 Leopards vs Wilston Grange & U14 Calamvale/Kenmore vs Redlands

**Kindly sponsored by**

With coach Jeff up north over the weekend (& therefore unable to report on the matches) both teams had great success winning comfortably against their respective opponents. Well done boys!

## U 16 Leopards/C'wood Park vs Redlands

**Kindly sponsored by:**

Calamvale/Collingwood Park: 21 - 30 - 156  
defeated Redlands 1 - 1 - 7.

The coaching staff would like to thank the boys for playing well on Friday night especially since we thru the side around and most players played out of position. It gave us an insight as to where we could play players on the ground, backs, forwards and centre's in tight games. The half back flankers are creating terrific openings down the field with their running; they are very similar to the Shaw brothers from Collingwood. So similar are they that I believe Josh Greig scored a couple of goals from doing just that. Keep up the good work boys. Dylan Heuser scored one of the goals of the season this weekend by gathering the ball on the half back flank, running and bouncing numerous times (lost count) to slide it through on an angle. Well done Dylan and good job to the boys that told him to keep going and protected him from tackles. We had an injury this game with Josh Knowles being taken off in an ambulance. To let all know, Josh is Ok and will be back for next week. We are hoping that when we play Wynnum this weekend that they will have a full squad so we can play 18 on the field and get the boys heaps of time on the ground. We will be playing in the Collingwood Park colours this weekend, so remember, you will need to yell "Go Power" when supporting this weekend.

Please note the game changes that have occurred due to playing 2 home games at Collingwood Park. First game at their field is Sunday 24th June at 11.30 am against Beenleigh. Next game is the last game of the home and away season and it is on SATURDAY 18th August at 2.00pm against Mt Gravatt 2.

## U15 Girls: Calamvale Red V Calamvale Blue

**Kindly sponsored by:**

This week our girls got to play each other. They proved once again how hard they will work for the football. We expected the girls to find it hard playing their teammates but to their credit they all went out firing. There were a number of girls who were absolutely brilliant. From the smallest player tackling the biggest player to the centres working harder than they've ever had to work before, to the defences who made it hard for the forwards and the forwards who had to earn every goal. I would love to mention each and every girl as improvement and commitment to the ball shone

throughout the entire game, but I feel we need to dedicate this week's article to our parents. I don't think there are many teams who are lucky enough to have such a committed group of parents. Not only were you there for our own game you were also there for the other two games as well. As a team I am sure the girls would like to say thank you, thank you, thank you.

Week 9							
Age	Date	Time	Home Team	Vs	Away Team	Umpires	Location
8	Sat-Jun-16	9:00 AM	Roos	Vs	Pies	TBA	PARK RIDGE
