### Under 9 Calamvale Gold

An interesting local derby on Friday night was played between Under 9 Gold and Under 9 Blue. The Gold put in 110% across the entire game. The 1st quarter saw Saxyn take some excellent marks and David scored a goal.

In the 2nd quarter, Michael put in a huge effort to score 2 goals and Braydon took a mark to also score a goal. Quarter number 3 saw Mitchell take a mark before passing it on to Locky who scored a goal. There was also some great defence in this quarter. The 4th and final quarter saw Jared score a goal and another 2 goals from Michael – Great Job! Overall, there was some great passing and tackling. Can all mums and dads please check that their kids have the right shirts as we have had some problems regarding this over the last few weeks.

A home game this week against Under 10 Gold saw the Under 10 Blues needing to work very hard for every goal! They were a hard team to come up against, but we had great play from all of the boys. James, Caleb, Matty W, Ben and Sam B were fantastic in defence, as always, and worked hard at getting the ball back into our possession.

Great goals and behinds from Alec, Cass, Braydon, Dean and Michael. Awesome on field support from Will, Damo, Matthew B and Sam K. We hope Matthew and Sam have recovered from their injuries sustained in Saturday's match and look forward to seeing them on field this weekend! Also, a HUGE Happy Birthday to Matthew for last Sunday!

This weeks 'Man of the Match' trophy went to Braydon, who has a spectacular game every week! Keep up the good work Braydon, you have

earned your reward! Thanks to Jan and Dan from \*Skippy Pest Control\*, who kindly donate the trophies for the boys weekly matches! It is greatly appreciated!

Saturday saw our boys take on the Calamvale Blues in the local derby, in a great game of footy with a lot of skill shown by both teams. Great teamwork by our was the order of the day and with lots of good hand passing, and kicking helped get the ball forward from all parts of the field resulting in some good goals being scored. With Zac this weeks Captain leading by example, he was supported well by Caliph, Jesse, and Conrad who all put in strong games. Overall a much improved team effort this week. Well done boys keep up the good work

The boys came up against their mates in the Calamvale Blue team this week with some exceptional play from both teams, better organisation into gradings from the league and the club next year should ensure this never happens again?

The game itself saw Coach Bob experiment with players in different position with Jake M an absolute stand out in the first quarter belting the ball into our forward line with regular monotony ably supported by Lachie, Shayne & Jay.

The second quarter saw this practise continue with the boys again familiarising themselves with other positions, Blade, Alex, Cooper and Morgan enjoyed much needed time up forward reaping the rewards which came their way.

The absolute stand out in the third quarter was our very own Brownie in Daniel Hill, his run from centre half back not only set up goals but score them himself was as good as it gets in footy and a real pleasure for spectators from both teams to witness. Jarrod spent time on the ball in the third term with great results showing his growing versatility to the team structure.

Coach Bob got what he wanted from his experiment in switching his players around to suit every occasion so in the last quarter he moved the boys back to familiar territory and once again they showed what a quality outfit they are becoming with Brendan, Shamus and Patrick dominating proceedings in the middle giving our forward line every possible opportunity to score, whilst in the back line Jake F continues to show what an emerging defender he is becoming.

Our encouragement award this week went to Daniel Hill who showed what consistency and commitment can bring if you are prepared to focus on the footy, well done Daniel.

A big thank you to Lockie from the under 10's who helped out admirably and wasn't out of place when he got his chances.

A special mention to Kristoe & Brady from the Blue team who were extremely committed through out the contest and showed they can both foot it with any opposition.

Thank you to the Mothers from the Blue team who manned the canteen with out being asked for the whole game.

For the second time in a row the boys were off to a slow start and Fred and myself thought we would have to answer to Jeff the coach who was away for the week (Hope you father in law is doing well Jeff). There was only a point the difference at the first Break, and the decision to play Raabe was looking like a mistake.

Unfortunately we have 24 Players this year and when they are all fit, 2 players have to miss out thanks to both Bomber and Raabe, and to Raabe especially who took the news in his stride, well done on how you conducted yourself Dylan a true team member.

Well once we got into our stride in the second qtr we never looked back with a 5 goal to 1 period, from there on the Leopards took control of the game to come out 58 point winners. We do need to get back to our quick starts boys, with the last two week slows starts being a bit of a worry. The big difference between this game and last week was that in patches everyone in the team looked great, we just need to take that good play from patches to four full quarters.

Great games from Ben Auld who really stood up this week especially when given a run on the ball, Mitchell Bell with some great sweeping up

defence and excellent tackling, Reece, Clayton and Jake where good in the forward line, Jesse once again was courageous as always until he was injured, Shane once again was a great target up forward, and the defence was as strong as it always is with Nick Sanders, Magpie Nick Amey, ZeB, Magpie and Angry all playing well.

The centres once again, after losing a few rucks early, turned that around with Bluey not only winning rucks but also playing a much better game around the ground, and Beau and Jordan delivering the ball well into the forward line.

Each week we hardly have a bad player and today was no exception all 24 Players should be very proud of their achievements so far this year, however it is important we keep training hard and improving because I can guarantee the other side will be gunning for us and working their butts off to beat us.

**DID YOU KNOW?**

From 1925-39, a free kick was awarded against the last team to touch the ball if it went out of bounds, on the full or not. This was to encourage teams to use the middle of the ground more often, rather than going wide. Many full-forwards were able to capitalise on this direct style of football, which allowed them to kick more goals.
