Newsletter – 20th June 2007 (ed 16/2007)

GOAL-A-THON

Today at training each player will be given a Goal-a-thon Form. The players will have three weeks to get as many sponsors as they can and will be required to return the forms to the club for the week ending the 13th of July. The following week we will have volunteers out with each team getting the players to have twenty shots at goal each. For any player who raises \$35 they will receive a club jacket with the club logo on it and for any player who raises \$40 they will also receive their name on the back of the jacket. The jackets will be presented to the players within two weeks of the goal-a-thon. So when you get your form get out there and get your sponsors. Just think no more shivering or having to find something to match on those cold football mornings.

2007 PLAYER MILESTONES

Congratulations to U14 player **Brenton Meddings** (Bluey) and U12 player **Ben Auld** who have both played **150 games** this month which is great milestone in any young players. Both Brenton and Ben were inaugural players for the Leopards originally known as the Logan West Leopards and have played for the Leopards ever since. Well done guys, an outstanding achievement!

A HUGE Calamvale Leopards roar of congratulations goes out to the following players who will reach game milestones over the coming weekend.

Tze-Xien Koo (U11 Red) played his 50th on the weekend.

Lucas Bell (U11 Red) played his 50th on the weekend.

Jake Farrell (U11 Gold) will play his 50th

Nicholas Amey (U14) will play his 50th

Daniel Hill (U10 Red) will play his 50th.

Well done, a super achievement for all players!

U12 Representative Report

Up in the cold North of Qld the Leopards had two representatives, Damien Ryan for Met West and Ben Auld for Met East. Both played with pride and showed they deserved their selection in their teams. Met East won two, drew one and lost two to finish third overall and Met West won one, drew one and lost three to finish fifth. The drawn game was between Met East and west, with Damien and Ben playing on each other for a quarter. Great effort boys.

PARENT LIAISON

The club has appointed one of our parents, Doug Renner, to the role of Parent Liaison Officer. Doug is there to assist parents with any queries or concerns or any suggestions they may have.

You can see Doug at the club or contact him after 6pm on 0438588406 or by email dvrenner@bigpond.com.

POWERBALL PLUNDER – week 2

The winner for the 2nd weeks draw is Lisa Ollerenshaw from U9 Blue. Congratulations Lisa!

MATCH REPORTS ROUND 9

U8 Kangas vs Magpies

It was our first match at Park Ridge and Jarrod Herman led the team out as captain against the mighty Pies this weekend. The game was played with real passion, the ball was shared well between the team, Mitchell Patterson had a blinder as did Isaac Bax both of them scoring in the last half. Anton Coster and Bailey Newbold showed real grit and determination and were able to feed the ball into the forward line. Lachlan Cully once again made his presence felt on the field with another consistent performance, with support from Jacob Sexton who kicked his first goal for the Kangaroos. Timothy Wray was awarded the encouragement award for his brilliant game both scoring and defending, well done Tim.

Well done Kangas - Keep on having FUN

U9 Blue vs Forest Lake

Well this weeks home game against Forest Lake was a tough one, with two very good sides coming together to play a fantastic game of footy! It's amazing how hard these guys will work to win a game of football, with our boys just tipping the scales our way by the end of the game. Sam K was on fire again this week, scoring goals, points and generally getting those legs wherever that ball went! Note to all: ask Sam's parents what breakfast he has on Saturdays! Matthew B and Braydon were awesome defenders again this week, continually bringing the ball back into our possession, along with James, Benjamin and Cass, who were always there for immediate back up! Standout goals this week by Haydon, Alec, Jackson and Matthew W, who did an excellent job at the goal ends, pushing the ball through as quick as they could. Well done! Fantastic field play this week by Damien, Sam B, Chandler, Dean and Michael, giving excellent field support to our newest team member, Sam W, who played his first game with our team! Good work and we hope you enjoyed your first taste of the action! This weeks 'Player of the Match' went to Sam B who took home a great trophy as donated by 'Dan from Skippy Pest Control'. Sam B had a great game and as stated by our top coach David, his best game so far this season! Thanks to 'Lisa O' for doing a wonderful job as timekeeper and making sure the hooter went off on time!

U9 Red vs Jindalee

Move over lions, U9 Leopards Red showed a brilliant game of teamwork, sportsmanship and skill against Jindalee on Saturday, with all players contributing 100%. FANTASTIC TEAM EFFORT. Great to see Nathan back on the field, leading this much improved team as captain this week. There were some excellent combinations of play from all over the ground. We have a contender for "mark of the year" with the diving effort from Lachlan Warner, resulting in a sore head but a brilliant mark. Ethan and Lochie C saw a lot of the ground also, and continually dusted themselves off and got on with the job. Get well wishes to Bradley, out for a few weeks with a broken arm (not from football!). A big thank you to all our keen volunteers each week, it is great have all the help and keep things running smoothly. A special mention to 5 of our players who have been selected to represent the Leopards at a round robin carnival on 1 July. Congratulations to Jye, Conrad, Stuart, Matt and Zac. Not an easy choice with all the guys training and playing better each week. Best of luck to you all.

U10 Blue vs Jindalee

Firstly I would like to thank Mr. Tilley & Mr. Newbold for stepping in & helping out on the day

as Mick could not be there. the boys had a fantastic game they have defiantly come a long way since playing Jindalee in the beginning of the year. it was a slow start as per every game we need to ad another quarter to the game because it takes the fist quarter to wake up. Bradley as captain on the day had a blinder Mick you would have been proud. Kealan, Jordon, Braedon & nick showed there ball skills in the 2nd quarter that & some encouraging words from our step up coaches & the rest of the team followed, Locky, Mathew, Kurt, Kristo stuck it to them in the centre's smothering them & the ball slowed them down. Daniel, Ben, jay, Harrison showed how marking up and some well placed kicks can really change a game around. To sum up you played a team that had some big boys in it who kicked some big goals from way out & snatching the ball from above your heads & you adapted well & showed maturity in the game. Awesome.

U10 Red vs Moorooka

A polished display against Moorooka saw several of the boys continue with their improvement in becoming good footballers. Moorooka were a few short, which helped our cause of having too many players again, and we rotated players at random in the red and white striped guernsey. The key focus on this match was around using the ball better and pushing back off the mark quicker so we can move the ball down quickly to our big skillful forwards. At times this worked well and other times we crept into bad habits of taking too long to spot our target and this allows the opposition man up. Zach won the player of the match with a great display of his contest for the ball and kicked some big goals to go with it. Josiah was terrific with great persistence in the contest and played a great game to continue his improvement. Alex moved the ball quickly in traffic as we practiced at training and Jay produced the perfect front and centre to show how the drills at training when applied in a game make it so easy in a match. At training we have practiced winning 3 on 2 contests and know that if we beat the first tackle the contest becomes a 3 on 1 contest so many of the boys worked hard at this with Jarrod. F, Vincent and Troy leading the way. Clayton again illustrated how when you have practiced your skills without pressure a million times they just click in a match when under pressure. Jarrod N and Jackson provided some great contests against each other in the last quarter as did Lachlan Hackles and Daniel. This match has defined Daniel's next phase of his footy by adding good use the ball from the mountain of possession he wins each week. Shamus gave a contest and Morgan again impressed with his eagerness to be involved in contests as did Cooper who got in the thick of it. Its hard to back from man of the match from the previous week but Patrick gave us good contests this week also. Keep practicing boys we're all proud you.

The Leopards Reds played against the Leopards Blue in a scrappy match. Justin played a great game and Lucas, playing in his 50th game, was hard at the ball. Connor and Bryce tried hard all day and Brendan kicked a great goal drifting down from the backline. The Leopards Reds need to look at the way Beau, Tyler and Adam attack the ball each week and how they are always first to the ball.

Very impressed with the boys this week. It seems that the stronger the opposition our boys step up to the challenge there were no individual efforts it was all team. It was great watching the boys looking after each other. They are really starting to bond. Just need some work on skills and match play which brings confidence to win games.

U11 Leopards Blue vs Leopards Red

This week the team went up against their fellow mates, Leopards Red. It was a hardfought contest right through to the final siren with both teams trying desperately to gain an edge. After a tough 4 quarters our boys managed to pull it off in the end. Jesse Witt was very solid in defence saving quite a few goals. Luke Gallaher kicked some good goals while the centres worked very hard. The standout, Rory Giles took some great overhead marks and had a fantastic running game which got him the man of the match award for this week. Well done Rory! Thanks to all of the parents who helped out in the canteen, with the hooter, first aid, water and the flags. Also a big thanks to Reece and Craig. Well done to all of the boys and see you at training!
Adam Chappell (Captain, U11 Leopards Blue)

U12 vs Coorparoo

Kindly sponsored by:

The team headed to Coorparoo for a tough match against an inform team. Injuries and sickness lowered our numbers to 19 and we were thankful to have Corey Green join us as a new team member. With so many missing the team positions were all mixed up to try and cover the holes of missing players. Kurtis went into the ruck for the first time this season and did an impressive job. Ben (fresh back from Mackay carnival) moved to half back flank and created a lot of run from there. Antony started down back, a new role for him and soon was excelling, making many clearances. Reece found his new position on the forward line to his liking and kicked a goal. Nathan was moved to full forward, but despite some terrific efforts on his part just missed on getting his first goal. Over all the Leopards were outclassed on the day and still are standing back too much and not attacking the ball. Positives from the game were players ability to respond to new positions, Corey G on the wing showed a lot of promise.

Better players Antony, Reece, Jesse and Ben.

This weeks game was against Wynnum who had their Rep players back, so it was going to be a tough one. We jumped them from the start and had our first goal on the board early against the wind. The Wynnum boys regrouped very quickly and had us on the back foot for the rest of the quarter. If it wasn't for the steadfast backline

players, we would have been a lot further than 10 points down at the first break. The second quarter we had the wind and kept the Wynnum Vikings scoreless. the game was basically played in our half, but we squandered numerous shots at goal, most from in front and we went into the half time break leading by **4 – 12 Vs 2 – 4** The third quarter was a grinding quarter in that the Vikings came at us hard, but to all the boys credit, they withstood the pressure and exerted lots of pressure back to extend our lead to **5 – 16 Vs 3 – 5** The last quarter saw our team break the spirits of the Wynnum boys with some inspirational playing and teamwork and we ran away with it to notch up another win. Final score was Calamvale / Collingwood Park 12 - 17 - 89 defeated Wynnum 4 - 8 – 32 Will Saver battled all day to be best on ground, with Dylan Coombs, Jason Vergunst and Joe Goodall all playing great games. My hat goes off to one of the teams leaders in Danny Woods. We were getting carved up by their number 9 in the first quarter and at quarter time Danny volunteered to tag him and restrict his possessions. Danny achieved this admirably and to his credit, did not lower his colours by resorting to the unfair tactics that his opposition player carried out. Well done Danny. Well done to all that played this weekend, it was a pleasure to coach and watch a team that plays extremely well together. We just need to learn the Collingwood Park victory song, I am sure the "Greigs Family" will help you learn it. Next weekend is another Sunday game @ 11:30 against Beenleigh at Collingwood Park, then we have a couple of weeks off for school holidays. But after the holidays, the games should start to get a lot tougher, as we play all the possible finals sides in a row. See you there.

U15 Girls: Calamvale vs Yeronga

Kindly sponsored by:

The most amazing thing happened with the girls this week. Leopards Blue (16-12-108) defeated Yeronga 1 (0-0-0) and Leopards Red (16-12-108) defeated Yeronga 2 (0-0-0). That's right, it's not a typo! Exactly the same score line for both games. Neither Yeronga team played badly but our girls were magnificent. Each and every one of them played well on the day. The backs controlled the defensive half staying on their players when necessary and staying in position when Yeronga employed the flood in defence. The on ball group dominated in the rucks and are starting to get good clearances forward from stoppages. As is obvious from the score lines, the forwards had a festival in front of goal. For the Blue team goals came from Casey W (5), Jessica (4) Stefanie and Tamara (2) each and singles to Lauren B, Chrystal and Adrian. For the Red team, Jessica kicked (4), Stefanie and Casey W (2) each and Tessa, Lauren O, Bree, Alison and Teneal all with (1) apiece. All in all it was a great team effort from both teams. Well done girls.

A HUGE THANKYOU TO 'BLACK NIGHT'!

The 'editor' wishes to express her sincere gratitude to Esther & Craig at Black Night for 'saving her skin' and all her club files! - after having a 'technological disaster! Their expertise was 2nd to none not to mention the 'emotional' support & friendliness! Thanks again!
