ROUND 10 MATCH REPORTS

Under 8's Pies v's Hawks

Hawks Match report

Well today everyone put in a great effort. You all worked well as a team and shared the ball around which was great to see. It was such a delight to see all the boys having a good go and sharing the ball around to there team mates.

When we had the ball it was great to hear everyone calling out so the person kicking the ball had many options. I saw a lot of skills being shown with bouncing the ball and followed up by great kicking. A lot of good marks came out of this game and it was great to watch.

We kicked a few goals and it was great to see a team effort by not just one boy kicking goals we had many different goal kickers which was great.

As a coach for the first time this year I was delighted at the performance every boy put in on Saturday. Well done to Bryce on receiving the award this week. Great effort keep it up.

Go the Magpies.

An early morning game was a change to the midday heat, and the boys were on their game first quarter. Moving the ball all over the field and there was some great shut down tackles by Christopher and shepherding by Jay and

Braedan, Brady and Matthew made some massive kicks finding their marks.

Second and third quarters the boys had to step up their defence. Sherwood came back strong and the backs and centres had a lot of work to do.

Fourth quarter showed the boys swapped positions and it all changed again. Kealan who is usually timid at one stage had their kids hanging off him and he held his own and never gave the ball up and Harry and Jordon were jumping on a lot of loose balls coming out of the centre and pushing it back down field while Daniel, Issac, and Bradley took some big catches under pressure. Zade, Ben, and Lochie were kept busy in the backs putting pressure on and stopping a lot of Sherwood goals and forcing them to one pointers which kept them busy in defence.

Boys you have the skills and are learning fast the knowledge but you need to build up your fitness. A big thanks to Janelle and Mick for a great family fun day at their place.

The U/14 Leopards continue on there willing streak and even though it was a slow start on the scoreboard the Leopards dominated play from the start, however the game was not pretty and the good play was still very much in patches. Something we really need to fix as the year progresses, especially if we are to figure in the finals, it takes 22 players at there best for 4 quarters to win premierships boys so keep that in mind. We also need to get back to the hard running, lots of numbers running past the ball carriers that we were playing earlier in the season. We also need to continually ting to keep the forward line as open as possible, the centres would have noticed how much easier the game is when instead of getting sucked into the forward line you formed you wall and the ball was kicked down your throats time and time again very easy kicks guys. But when that does happen we must make sure we clear the hotspot out quickly.

Each week guy we have to look at what we do well and what we do poorly and fix our deficiencies, every boy in this side has shown in one game or another that they have huge amounts of ability, and that at times some of our passages of play can be magic, what we as coaches are looking forward to is the day all 2 players have their best games, and that the team plays to its ability for 4 full quarters. If that can be achieved boys then no one will come close to you.

Great games from all the usual players special mention to Dyan Raabe, Corey Taylor, Jake Humphries and Clayton, not just because these guys had good games but more importantly because of how these guys attacked the ball hard and fast, it just shows if you train hard at the ball you play hard at the ball.

Under 15 Girls Blue

4-8-32 defeated Calamvale Gold 4-6-30

It was the local derby this week for the girls. With only one win so far this season, Leopards Blue went into the match underdogs against the bigger, older, more experienced Leopards Gold who had only lost one game to date. Every single girl put in a big effort for the full four quarters to help me celebrate my 150th game in style!

Despite being kneed in the ruck, Crystal won most of the taps and played well all game. The opposition were a bit bigger but our centres were still able to clear the ball forward most of the time. Jess D, had a great game getting the ball from the tap, or the loose ball and clearing it forward. Lauren B, played one of her best games of the season managing to be everywhere on the field and taking some brilliant marks. Emma fought for the ball endlessly throughout the whole game and her speed really payed off. Tash never gave up and was always there to pick up the crumbs. Cate tried hard the whole game and will gradually find her feet on the footy field. Allie did a lot of work as full –back and made it hard for the opposition to get past her. Anna also did well in the backs working the ball up field. Phatty took a screamer of a mark and helped deliver the ball up to Shannyn in full forward who also had an awesome game. Ayrlie, as usual, seemed to spring out of nowhere when needed, never dropped a mark and showed great leadership both on and off field. I along with my teammates were ecstatic over our first real win, we gave it our all and it was rewarding as our efforts paid off.

Goal Kickers: Lauren B, 2. Emma & Shannyn, 1.

Well, what a fantastic game. Two teams so evenly matched that only two points can separate them at the final siren.

Both teams started the game with all guns blazing. Tackling was hard and the defences on both teams fought hard to keep the ball away from their opposing goals. There were some exceptional passages of play from our team including Emma's run down the wing.

Final Scores: Calamvale Gold 4.6.30 were defeated by Calamvale Blue 4.8.32

Best on Ground for Calamvale Gold – All played well
