Match Reports

Under 9 - Red

We arrived at for our game against Collingwood Park unable to see the other side of the ground yet alone the ball. Fortunately the fog lifted by the time Captain Jay led the boys out onto the field.

Jay had his kicking boots on. Michael has shown vast overall improvement in his game and Sinjin improved in manning up to the opposition. Ben and Blade impressed with their running game this week. Daniel and Jarrod McKnoe also impressed the supporters with their enthusiasm in fighting for the ball. Braedon was the team's main contested ball winner while Isaac put in a huge effort particularly with his marking. Jarrod "Jod" McKay was the all-rounder of the game and played for the team. Even though Kurt only played a half a game, he kept making that second and third effort to get possession. Unfortunately the two Matthews were out this week.

Shamus excelled in his leadership of the players this week and was rewarded with the Coach's Encouragement award. Coach Robert commented that he was happy with the overall sense of teamwork and happy to see the players enjoying their footy.

On a sad note, we want to wish their McKnoe family well in their shift back to Eagles country. It has been a pleasure having Jarrod in the team and we are all sad to see him go. Maybe we'll see him run out in

the blue and gold colours in the future. Good luck to you all.

Thanks goes to the Umpire, Coaches, Goal Umpire Mick, oranges from Bernadette, jersey washing by Joanne and John for his statistics and assisting Coach Robert at breaks. A special thank you to Assistant Coaches Chris, Paul and Doug for all your help at training over the season as well as family and friends for your support.

Under 9 - White

Awesome....awesome. Kenmore were ready and there is no doubt they prepared themselves for us judging by the fact they didn't want to do the even up player arrangement. However for the first time this year our boys worked as a team in delivering number 3 for the full 4 quarters. As expected when number 3 is enforced by any team whether that team in playing in the AFL or juniors they play well whether the field or wet or dry.

With a soggy field this week we needed determined strong minds going for the ball and Jessiah did that all day and won this week's encouragement award. Jessiah is proof that if you listen to the coach and practice you can be a good player. He may be little in height but he is big on heart and effort and the most improved player over the past 5-6 weeks. Anyone there would also have seen Daniel dominate along with Zach and Jay who provided the team with a heap of possessions. Vincent had his best game for a few weeks also and when we had Jarrod Fenton and Jackson presenting themselves in contests and winning the ball the boys were going to be hard to stop. However it wasn't left to a few. Cooper, Jarrod Nuttall, Alex and Dale all listened and tried their best at all the team rules which was what impressed the coach the most. Troy again provided the team with some of his best efforts and Jordan provided the play of the day with his block of one passing ball showing us the perfect number 3. Always a good player for us is Patrick, but this week he showed us that being a good player doesn't just mean taking lots of marks and kicking goals. It means setting up in position, manning up and finding the next place you need to be after the last contest.

All in all this was the most satisfying game the boys have played this year. Well done it was a joy to watch as no doubt it was for all the cheering mums and dads (and all the groupies starting to hang around) who all walked a foot taller to the car with all the pride. Keep practicing we still have some more fun to have after the holidays.

Remember we will train through the holidays so come on down Wednesday night. Special thanks to Mick Warman and Craig Chant who do all the hard yards off the field to ensure the boys can shine on it. And shine they definitely do.

Under 12 Div 4

Morningside 5-2-32 Def Leopards 3-7-25

This week saw the div 4 side playing their first night game for the season, a home game played at Morningside and it looked like a wild night for football. Luckily the sky's cleared, but the ground was still very slippery. What we hoped would be a fast, skilful game turned into a slog fest, with both sides getting numbers around the ball and trying to break free from the pack. All players worked extremely hard in the wet conditions, with Josh Pryor and Jessica kicking goals in the opening quarter. With Andrew G away, Carl was the focus for our forward thrusts and he did not disappoint, belying the conditions with some strong marks and setting up the first 2 goals. He was also rewarded with a goal of his own in the final term to cap of a great performance from this ever-improving player. Damien and Aaron were very tough playing across half back, Aaron laid some very heavy tackles while Damien, when moved to half forward was very unlucky not to be paid for the mark of the year, a big jump, overhead mark, taken on the second bite, behind his head. Definitely marked, but not paid, so sorry Damien, can't nominate you for that one.

The rest of our forward line, Oren, Courtney, Jazz and Bradley fought hard to keep the ball locked in.

Ben controlled the half back line with his normal efficiency, while Nick A held down fullback, with some great tackles, hard running, and kick ins that remind me of Josh Drummond. Nick is definitely vying for the best kick in the U12's. Kurtis B, Callum and Jake all tackled their hearts out, difficult conditions for our backs but they worked hard to keep repelling Morningside's attacks. Adam, Nick N, and Bomber continued to impress on the wings, always giving us options out wide with their hard running and safe hands.

Jordan continued to dominate the rucks, I'm sure he is leaping higher and higher with each game. Beau and Jesse relished the conditions, loving the opportunity to get to the bottom of the packs and laying some very heavy tackles that had the Morningside players looking for the truck that hit them. We are all used to the sure hands and great marks of Kurtis N, but this week he showed his tough side with some very heavy tackling, none better than when he took a Morningside player over the sideline and straight into our coach's box. Great effort Kurtis.

Although we had most of the play in the second half, we lacked accuracy, kicking 1 goal and 4 behinds in the last quarter. Definitely a game we let get away.

Our best, Jesse, Carl, Jordan, Ben, Nick A, Jessica, Aaron

Under 16 Girls

Calamvale Leopards 4.4.28 defeated, yes defeated Logan Cobras 2.6.18.

Well we did it. Its Amazing the self belief these girls have in themselves. We first met the Cobras 8 Weeks ago and went down by about 18 goals. After the very first game the Girls informed me that they would beat them and each time we've played inched closer and closer until today where their persistence and skill shone through.

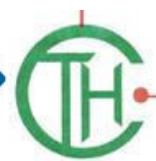

The Girls started the game with one thing in mind, to win the first quarter and that they did. Long kicks instead of little handballs and everyone working together. Sam fired the ball out of ruck and had the support in the centre from Natalie, Madeline, Jessica and Melissa. Our strong defense of Cassie, Teneal, Rebecca, Braz, Amy and Bianca chiming in refused to let them have their normal running flow into attack. Our Forwards were always ready to attack and Mikaela playing the game of her life led by example finding great support from Sharree, Belinda, Stephanie Selby, Stephanie Barnett and Natasha. Not once did these girls give up and I know that every parent is extremely proud of the way you have focused and put in.

Thankyou once again to our wonderful group of parents who always put up their hands to help, To Robert for First Aiding, to Daniel and Brenton (from the seniors) for running Water and to our ever faithful supporters who turn up whether we are home or away even though they have no one playing - The Richards Family.

Goal Scorers: Melissa Ellis 2, Belinda McKinnis 1 and Stephanie Barnett 1. How Good are you!!!!
