New Club Sponsor

We are happy to announce that Domino's Pizza – Calamvale have agreed to a sponsorship deal with the Leopards. Please welcome them as a club sponsor and support them when ordering Pizza.

Canteen

Thankyou to the teams that were rostered on last weekend. We are sorry to anyone who felt pressured or made to do canteen duty.

As we have had many complaints regarding not wanting to do canteen duties during their games, this weeks roster has been done so that no team will be covering their own game.

I am sorry but we will once again have to call on the small amount of volunteers that regularly offer their services to main all other times.

Please remember from the President right through this club is only volunteer run. No one is paid for any services they give and the committee are just parents therefore human error is inevitable.

We do ask that all parents assist in this area when your team is playing at Calamvale.

Friday Night			
3:30 PM	–	6:30 PM	Committee Volunteers
6:30 PM	–	7:30 PM	Under 16

11:30 AM	–	12:30 PM	Under 14
12:30 PM	–	2:30 PM	Committee Volunteers

Please remember that two people will be required from each team. One to help on the BBQ and one to help in the Canteen.

Game Milestone

Milestone for U16's player Brad Richards who recently played his 150th games of AFL football. Brad came to the Leopards in 2004 with 100+ games under his belt and has been an important member of our club since. Congratulations Brad

Match Reports

Under 9 - Red

It was a cold Friday night that saw our team competing against West Juniors White. Assistant coach Chris was again given the task of running the team on the field and coach Robert stood on the sidelines to overview the off the ball set ups. We were missing some players so had to play one short in the forward line all match.

The boys started well with hard work from the centers and great work by our forwards. But West's were not going to be out played so easily and soon it was goal for goal scoring. The game continued to be a tight affair right through to the last change when it was all tied up. The final quarter was a great tussle but the centre set up was dominant and despite West's getting an early goal, our boys then did the remaining of the scoring for the game. But it was only after 4 consecutive points that we finally got a goal and the boys excitement was hard to contain.

Isaac showed he is going to be a great ruckman of the future with some great centre work. The work of Jod is hard to match and again this game showed he is a potential star of the future. Jarrod Mcknoe impressed the crowd with some good positioning and great marks. The big kicks from Blade are getting better as he starts to kick straight instead of swinging the leg around the corner. Kurt and Ben's running game is fantastic and once Kurt starts to kick straighter will be a fantastic forward. The tiger of the team, Michael, again led the ground ball gets and showed he will not let anyone take the ball from him. The crowd were impressed by the hard work of Sinjin as he took some great contested marks and looked for his team mates at all times.

Braedon's team play improves each week and his efforts through the centre were terrific. The coach had one instruction at game start and that was that Daniel needed to get a goal as he was only player yet to score one. Daniel listened to instructions and attacked the football and scored within the first five minutes of the game. The defensive skills of Jay were on display as he showed he has learnt the art of bumping well and made sure his opponent never got an easy ball. Encouragement award went to Jarrod McKnoe for his marking.

Thanks to the best parents and supporters, thanks to John for his management skills and following Deb's instructions in getting the parents into the roles that needed to be filled. Thanks to the parents that went to the canteen, for the flag waver, for the jersey washer and the orange supplier.

Under 9 - White

The boys played on a chilly Friday night against West Junior Maroon in a high class match.

Our boys set the tone and no better example has been set this year than the effort Troy put in to chase a player who looked like he would get the ball easily and kick a goal. A little fumble by the opposition and a great dive by Troy to position himself between the player and the ball saved a goal and sent the ball down field for the Leopards. Obviously Troy claims the encouragement award for this week for this standout effort and his two goals.

Other good efforts this week saw Dale kick a great goal and Jackson move into the right position for some strong marks. Jessiah fought hard for the ball and the supporters enjoyed his efforts. Alex took a wonderful contested mark and he is really showing the rewards for listening to the coach and dad about his play. Cooper played with some of dad's determination and hardness for the ball and is thinking about his game, which is all he needs to do to keep being a good player for us every week. Patrick tried hard and as usual gave us good drive forward. Zach, third time lucky, kicked a good goal, and gave an excellent handball in the forward line. Jordan kept up his good play this week and took some knocks along the way. Jarrod Nuttall tried hard this week again and stopped the opposition running away with the ball several times. Jarrod Fenton really has some big time pace and kicked the final goal to cap off a good night. Daniel got plenty of the ball and contested strongly for marks including some back with the flight of the ball. Well done! Vincent played well and worked hard on getting the ball. Jay keeps amazing us as to how well he responds to advice and then puts it into practice, which included where to position yourself to get the right position for the next mark when calling for the ball.

All in all it is fair observation that the boys handle themselves well with number one and working well towards number 2 however number 3 is the area that everyone must work on. When the

umpires whistle goes start the brains and get to where you need to be! I hate using the words "man up" when they have the ball but it is a basic of footy, come on boys let's get this side of things happening.

Thanks to the parents for the great support for good play on both sides and keeping some extra for the home team as they come in each break. All good fun again. See you on Saturday when we demolish the Magpies.

Under 13 Girls

Calamvale Leopards V Yeronga 04/06/06

Well, the girls trained hard on Wednesday night and thought they could win this game as they've won against them before but that wasn't the case. This game wasn't as easy as they thought it would be and there for they had to end up fighting for it the last half of the game. The score ended up being fairly close with the final score being 3.4.21 to 6.3.39 in Yeronga's favour.

Chrystal who hurt her hand last game ended up going to the hospital later after the game as it was sore and ended up having an xray which showed she actually ended up with a fracture. So unfortunately she was unable to play in this game and will also be out for the next 3 games. Though she still turns up at training and is still going to come to the games to cheer her team players on.

Our goal kickers for the game were Tamara Nagle, Tamara Gray and Bree all kicking one goal each. Well Done girls. Keep putting your best efforts in at training and on game days.

Jessika Wittmann (Manager)

Under 16 Girls

This week we played at Logan Cobras ground. Although we didn't have a win we took some great positives out of the game. Natasha Ryan and Belinda McInnes showed how hard they are willing to fight. Stephanie Barnett, Melissa and Natalie took some really hard hits yet kept on going.

Mikaela took a fantastic mark that would have to be in contention for mark of the year and Sam always determined to take a specky nearly pulled it off. Cassie, Brianna and Rebecca weren't going to let the Cobras off lightly putting their bodies before their minds. Amy kept trying to push that ball out of defense and Madeline was always backing up to try and push it forward.

Bianca once again put that netball flare into action getting out of tight places and Stephanie S tried hard to help her out. Teneal probably played the best game I've seen her play yet. She was ferocious at the ball and was not going to let anyone push her around. Keep fighting girls we'll get those Cobras by the end of the season.

I would also like to thank our fantastic parents who are always willing to help out with a smile.
