Leopards Fun Day

25th March 4:30 pm

Come down to the club and participate in the first ever Leopards "Olympics". We will be having 4 events for each child to participate in;

- Handball Target
- Longest Kick
- Accurate Kick
- 70m Dash.

All participants will receive a certificate and the winner of each event will be recognized in our newsletter.

Also happening on this Fun Day is the Annual Old Guns versus Young Guns Footy Match. This is the kids chance to beat their parents in the game they have all learnt to love. Come down and put your name down to play, no experience necessary as it is all for fun. This event will also see the Youth teams handed their Jumpers for the year and the announcements of the Youth Team Captains and the Club Captain.

The day is free so come on down and enjoy yourselves. We will be selling hot food and drinks on the night.

Remember the Seniors team is playing their first game on this date so why not come to the oval earlier and cheer on the Leopards.

Drink Bottles

Drink bottles as part of the pack received and should be taken to training and games when the season starts. It is very important for kids to drink lots of water and please put your names on the bottles.

First Aid Volunteers Are Required

Every team should have a qualified first aid person to attend home matches. The club will pay for anyone that is not qualified. Remember no First Aider at games means games will not start.

Blue Cards Working With Children

Anyone who has regular contact with children must have a "Blue Card", this is a free service for volunteers at our club. Contact Claude for forms.

Fundraising

The buy a brick promotion gives you a plaque with your name on it which will be placed inside the change rooms. Gold \$100, Silver \$50, Bronze \$25.

Coaches Required

Unfortunately people are very busy these days, but we still need coaches for under 8's and one for the under 10's. If you can spare the time please let us know the season is less than two weeks away. Remember it's for the kids.

ID cards

ID cards are required for Coaches, Assistant Coaches, Team Managers, First aid and Trainers.

If you don't have one from last year could you please provide a passport size photo, it can be printed from your PC. We will need your photos before the 29th March.

Leopards Make Taipans U16 Squad

Congratulations to Dominic Beer and Jason Vergunst for being selected into Taipans U16's squad, hopefully they will both make the final team.

Tipping Competition

This year the Calamvale Leopards have decided to combine our footy tipping competition with our major sponsor - Algerster Sports.

- The competition starts 30th March 2006, all names to be registered by 26th March, 2006.
- All fees must be paid no later than 30th April 2006, if fees are not paid in full by this date, you will be de-registered from the competition.
- Fees are \$45.00 per player per season. Receive a "Free Stubby holder" on receipt of payment.
- All money is to be paid to Joy at Reception or Bar Staff; a receipt will be issued for payment.

Please support the club and Algerster Sports and join the competition.

Registrations

If your child is not registered they will not be playing in round one. If you have not registered you will need to do so before the 29th March, please remember if you are a new player we need a copy of your birth certificate without this we cannot register you with the league.

Outstanding Fees

There are a number of outstanding fees that need to be payed as you all know our fees cover the cost of playing for the year only and we need this money to come in ASAP.

Girls Teams

Welcome to Nikita Wild as coach of the U13 girls team. Nikita is an ex-player and junior coach and I'm sure her skills will help improve the performances of the team throughout the year.

If anyone would like to join, or knows anyone who would like to play there are still positions available in both the U/13's and U/16's.

Please contact Cathy Selby on 0401 670366.

Team News

Under 9 - Red

Ok folks we have had 4 weeks of training now under our belts and I can already see some improvement in a lot of the boys. Thanks to all the parents who allowed their child to stay after training the last two weeks and play a "Scratch Match". These two games have allowed the coaches to see the kid's progression and to allow us to focus on areas that need addressing.

Michael Young and Braedon Paul have been training with us for the first four weeks on trial to see if they truly ready to take the next step up to under 9s as they both are true Under 8s and at end of last year I felt they needed another year in Under 8s. I am pleased to report they have both taken major steps in their development and I am

going to have them play in the first game come April. I hope everyone makes them feel welcome.

Don't forget the 25th March 4:30pm is our Fun day. Make sure you get all the kids down to the oval for the activities.

This week we should be getting our Jerseys for the year, we will be in Leopards Colours all year and I really looking forward to it. Draws for the year not out yet, I will let you know as soon as information is available.

Don't forget, I expect my parents to be the loudest supporters of all and every week at training or at a game, I want to hear encouragement from the spectators whenever some one does something good. No negative comments allowed!
