Registration Fees

The club reminds everyone that all Registration Fees must be paid immediately. Failure to do so could mean your children will not be allowed to play football.

If anyone is having difficulty paying the full payment, please contact Claude Sansiveri on 0414 944095 to organise a repayment plan.

We are sorry to have to resort to this type of action as we endeavor to make sure all kids get to play football as that is our main aim. However, it is also our duty to ensure the long term viability of the club and pay our bills on time. Your efforts in getting monies into the club on time aid us in doing this.

Your cooperation is appreciated!

Team Sheet

The team sheets are important in order to track the games played for all of our players so that we can then recognize their milestone games as they occur however these are sadly being missed as the game comes and goes with no recognition as the team sheets have not been handed in.

Please remember in all cases, the White to the umpire, the Yellow to the opposing team and the PINK to be placed in the pigeon hole provided in the office or hand to a committee member.

Match Reports

Under 8 - Hawks

Our Captain this week was Jackson. We had some great goals kicked by Jackson, Adam, Brandon and Jacob.

There were marks taken by Jackson, Jacob, Adam, Lachlan, Ben, Little Tom and Braydon. Our point kickers were Jacob (on the post, good try), Adam, Braydon. Ben had great pickups while Josh is doing great kicks.

Tom H. did some sharing of the ball with a handball. Little Tom had a great try at a goal, with some fantastic pickup's out of the centre. Man of the match was Adam, well done. Great team effort, these kids are really starting to get there kicks and marks. They are giving everything a good try which is great to see. There has been a great improvement in our player's from last season. Our new players are doing fantastic. They all have great confidence and giving 100%. It's great to see everybody having fun (even the coaches, big kids).

Under 9 - White

A game under lights at home against our club friends Calamvale Leopards Blue. Some good performances all round again this week by the Leopard White in this game. Lead by player of the week Zach, who got the ball and took off to send the ball down the ground and also kicked a few goals this week, the boys showed us their big 3. Dale continues his efforts and is getting more of the ball each week. Troy tried hard again and did some good team things and toughed it out after a ball to the head. Jay was outstanding when under pressure with the ball and showed us how to make best use of the ball. Rion tried hard and almost took a great mark.

Jarrold Nuttall played one of his better games with marks and goals. Alex saved some goals and did his best around the ground. Vincent got a heap of the ball and made good decisions on how to get the ball to his teammates. Jarrold Fenton was very zippy around the forward line and kicks a few goals also. Jordan showed how to run straight at the ball and got a lot of it and kicked a inside out goal. Cooper did his best and showed what he can do and keeps concentrating. When Jesiah, who is becoming a good player, went for the ball he gave us a great contest and is getting his kicking to improve also. Jackson is seeing the benefit of reading the play as it makes it easier to get the ball, even more than normal. Daniel not only plays well each week but is also starting to think about what's best play for the team and that is excellent. Patrick as usual gave us a sterling effort in all positions during the game.

Thanks to our boys who helped out Leopards Blue who were short of some players and the Leopard's Blue for a fun Friday night game.

This week we have another Friday night game against Kenmore at home at 6.30pm. Thanks to the umpire, the volunteer goal umpires who did a great job, fruitiona (new position created), jumper swappers and all the mums and dads from both sides.

Under 9 - Red

We played the second Sherwood team this week in very competitive match right to the final hooter.

Captain Sinjin was the big winner when fighting for the ball and Braedon once again showed his great defensive skills. Shamus showed he was thinking about his game with some good teamwork. Ben ran and chased hard throughout the game and Blade was strong on the ground.

Daniel's kicking has improved each week and Jarrod McKnoe's skill in taking marks continues to improve. Michael's game skills are also improving each week and Matthew H kicked well for his first goal of the season. Jarrod "Jod" McKay put his heart into the game while Isaac played on well.

Matthew "Mac" McLean roamed the sideline cheering on the team while unfortunately Kurt was unable to play through illness.

Coach Robert's Encouragement award went to a very excited Jay this week for all round improvement in his match play.

Isaac and Shamus went on to play in the U10 Leopards Red which is great experience for next year.

Thanks to Coaches, umpire, Kerrin for oranges, Adrian for goal umpiring, Vanessa for jersey washing, Kelly for bringing the lolly jar and family and friends for supporting the team.

Under 9 - Blue

Friday night look like it was going to be a hell of a night for footy. But our boys were up against a much bigger and stronger side than us. Although the boys tried there hardest and fought till the end nothing seemed to go our way. The boys tried they're hardest to get the ball forward and kick goals but it just didn't seem to happen as it was not our night for footy. But a big well done to the boys against a much bigger and stronger Leopards white, we continued to look for players, bump hard and move the ball up the field to our forwards.

Thank you to Rod for lending us a couple of kids every quarter and Murray Bell and Darren Healy for they're ongoing participation in the side. Because of the bye next week we will have a training session Saturday May19th 9 am to 10.30 am. A big thank you to every one.

Under 10 - White

Finally we get a match report written. Apologies for the slow start to the season from my side, which is in contrast to Brock and the boys who have had a great start to the under 10's. The boys have been showing some great skills for so early in a season and have taken to under 10's modified rules exceptionally well.

Last weekend we played Jindalee who were quite a strong and well structured team.

The first half we had the jump on Jindalee but in the second half they composed themselves with disciplined play and strong tackling to get back into the game. It was close in

the end but well fought out by our boys to keep trying to the final siren.

Bryce has been demonstrating good reading of the game this season when positioning himself to cut off the next kick particularly when in the centres. Jesse is as usual playing above his weight and always in the thick of things with guys twice his size.

Brendan is also small in stature but has silky skills and a real ball sense. Maddison was playing with injured fingers on the weekend but it didn't stop her making some strong tackles throughout the game. Adam has improved his kicking accuracy and it is paying off with some good passes. Beau is proving to be a strong player both when marking and in general play. Gabriel has some real flashes of brilliance around the ground and when he can put it together for the whole game look out. Josh is tackling well and knows how to sniff out a goal. Ryan has been improving each week and if continues to put in at training will reap the benefits as the season progresses. Tze Xien has been steady but I expect with more effort will improve considerably in second half of season. Jarrad is another one made for footy and will go a long way with continued skills training. Lachie has showed patches of brilliance and if gets more confidence in and around the ball will improve further. Tyler is showing good skills and played on, even after a split lip during the game on Saturday. Isaac has shown preparedness this season to get in and use his body and is improving week to week.

In all a wonderful group of young people who when playing as a team will prove to be one of the strongest teams in the comp by seasons end. This of course is largely due to the commitment and effort put in by Brock each week who has a great temperament and talent to get the best out of the boys. Also a big thanks to all the parents efforts behind the scenes and turning up on match day which means a lot to the team. Lets keep going guys and we'll all have a great season and a lot of fun and satisfaction along the way.

Under 16 Girls

Today the U/16 Girls played in their first game for the season against Logan Cobras. The girls showed a huge improvement compared to our trial game against them. Although losing the first quarter the Girls came out firing for the rest of the game and competed on even terms for the last three quarters. Excellent efforts in ruck, the backlines and great tackling show we have a great foundation to work with and should lead to a fantastic season.

Final scores were:
Logan Cobras 10.9.69 to Calamvale Leopards 3.1.19.

Goal kickers were:
Sharee Tanti 2 and Belinda McKinnes 1.

Under 14

Leopards 8 - 8 = 56 d Collingwood Pk/Everton 5 - 12 = 42

We started well in the first quarter running the ball into an open forward line.

Unfortunately we did not convert on the scoreboard. Our backline held the opposition to only on 1 point giving us a 15 point lead at the first change.

We were under intense pressure in the second quarter with the opposition converting well on the scoreboard. Our backline worked hard to hold out many attacks. A late goal to Michael Kiley allowed us to go in at half time with a 3 point lead.

Our third quarter was another solid performance that allowed us to extend our lead to 13 points at the break.

The opposition threw everything at us in the last quarter, but to our credit we held firm to run out winners by 14 points.

It was a great team effort with everybody contributing at different times throughout the game.

Goals: Absolom 3, Berry, Sheppard, Kiley, Nutall, Ogle 1
