## ROUND 6 MATCH REPORTS

### Under 8's Tigers v's Hawks

A great game was had by all on Saturday morning. All the hard work at training is really paying off, with all the kids having a fantastic game. It was one of the best games that the Tigers have had so far.

Bailey Little did a great job as captain on the day, with some excellent ball skills displayed by all. Tyson Elies kicked the first goal for the Tigers, with more goals following on from there. Ethan Saunders had a great game, with plenty of touches and the ball was shared around amongst all the boys.

Keep up the good work on the field.

### Under 8's Pies v's Eagles

#### **Sponsor for Eagles: Who Media**

Saturday's match was tough against the Eagles. Even though we tried hard they just seemed to play a little better. Everyone put in a great effort when they received the ball. A big welcome to Harrison Kay, he played his second match and he is doing a great job.

Timothy was given the award this week with his good marks followed by great kicking and even having a bounce or two. Other players that stood out are Riley, Jackson, Ben, Bryce Niklaus and Joel.

Thanks again to all the parent's help it is much appreciated. Looking forward to next week's game.

Go the Pies.

### Under 9 Calamvale Blue

This week the boys were away at Forest Lake on Saturday morning. Leading the team this week was Ben, but unfortunately he took a heavy knock to the leg early in the game and could not return. Well done Ben, hope to see you back this week. Anyway our boys played a great match and it is pleasing to see them get better as a unit each week. We are finding more space up forward and the manning up in defence was fantastic. All game we tackled well and placed good pressure on the opposition.

When it was our turn in attack, we spread the ball around well and kicked plenty of goals. Our last quarter was a beauty. Running up the hill, the team never looked like they wanted to stop. It was our best quarter of the game. Keep going

boys....You are all great to coach and I get a real buzz watching you all achieve your best.

This week the player who achieved the encouragement award..... was Lachie Horton.

Great work "Blue's brothers"...let's rev up again this week.

### Under 10 Calamvale Blue

#### **Sponsor: TravelManagers**

A Friday night game under the big lights at home saw our boys give Jindalee quite a work out this week, with a fantastic performance from all players.

Matthew B and Tylah were straight into play with strong defence and excellent tactics used to pass the ball down to the boys ready to score goals! Cass had a great number of possessions, as did Braydon, Matty W and Michael, receiving just as good a run from Jindalee as we gave them! Caleb and Ben had another strong week, making sure the ball went through the posts as often as possible.

Alec, despite his injury, kept up with Sam B, Damien, James and Sam K, giving much needed support to other players, when not kicking goals themselves.

Thanks again to Lachlan and Tommy for filling in for our missing players this week!

This week's 'Man of the Match' trophy, as kindly donated by Jan and Dan of 'Skippy Pest Control' went to Tylah! He had an outstanding game this week, giving it all he had and then some more!

Well done Tylah!

### Under 11 Calamvale Blue

#### **Sponsor: Tim Holdings**

The first quarter was played under fair conditions and the boys from both teams put on a good show with some outstanding plays from our boys.

Kristo was on fire with some hard fought rucks. Mathew, Issac and Jordon put together a great passage of play which paid off with a goal.

Zade, Ben and Lochie worked well together and sticking to their man shutting them down and stopping them scoring.

With some major ref issues, the second quarter took a turn for the worse. The frustration of the ref's decisions, showed in our poor play and bad decisions. No matter how much we disagree with the ref's decisions we got to keep our minds on the game and keep fighting.

The last quarter showed some spark and smart play. Brad, Daniel and Harrison made great catches leading to some exciting bursts of play. Braidie made some great break aways but please remember to kick the ball instead of bouncing it. Jay, Bradley and Kealan displayed some great defensive plays. To sum it up boys, chalk it up to experience and lets move on. 'There are going to be more games like this you need to learn to rise above and be stronger and wiser, you all have it in you. Go Under 11 Blues.

### Under 11 Calamvale Gold

The boys played against Kenmore on the weekend proving once again what an emerging team the Leopards have on their hands, a spirited Kenmore came out in the first quarter determined to prove that they were worthy opponents.

From the very first bounce the boys showed once again how determined they were to prove what an outfit they are becoming with the mid field of Patrick, Brendan and Shamus continually moving the ball forward for the likes of Alex, Blade and Morgan to take full advantage.

The second quarter saw the boys continually work as a unit after some inspirational words from Coach Bob along with a superior game plan which when followed was too much for the opposition to counter. The back line led by Daniel and followed by Cooper, Lucas, Jake F and Shayne proved to strong with the ball booted back to the centre with regular monotony.

At half time Coach Bob made several positional changes to ensure every player had an opportunity to get their hands on the ball with Lachlan, Jake M, Jay and in particular Jarrod proving much to quick both in the air and at ground level for their opponents.

The last quarter proved that the boys still have much improvement in their game with the intensity level dropping off as the game petered out towards the back end of the quarter. Once again boys this week we kicked nearly as many points as we did goals so more practice needed at the big sticks especially before training begins and in particular at home in the back yard.

Encouragement award went to Alex this week who proved that sheer hard work and practice

does pay off if your prepared to persevere with the basics of the game.(Thanks to Roger for helping out)

A big thank you to Ben from the under 10's who helped out on the day and did both himself and the club proud by the way in which he handled the step up to under 11's, he's welcome to wear one of our Guernsey's every week.

A special mention to Coach Bob, who also had a great game but doesn't receive much deserved accolades for his efforts both at training and game days. Well done Coach Bob.

Last but certainly not least if we could ask all the Mum's to share the load in the canteen on game days as too few do the job which many could make easy, your support and help would be very much appreciated.

Thank you once again to all the parents for their great support each weekend which helps spur the boys into playing some wonderful and entertaining football. WELL DONE.

### Under 14 Calamvale

**Sponsor: Jeff Grainger Building Services**

For the second week in a row we found ourselves up against the second placed team on the ladder, this time we were playing a team that had beaten us by 14 points 4 weeks ago, so another tough game was expected. We have all felt that the team had improved a great deal in the last month and this was going to be a good chance to see if that was a fact.

And once again from the first bounce the leopards showed that they had plenty of enthusiasm, talent and skill. Taking control of the game from the outset, once again its hard to believe but all 21 players showed that they are very willing to listen and stick to the game plan and team rules, with the centres once again dominating play and delivering the ball time and time again to set positions and the forwards where always were they should have been, at the same time the backline showed what a great defensive unit they are only allowing Wynnum to score two goals for the game, but not only is there defence good they are also playing hard attacking football and repelling any opposition forward thrusts.

If there were any negatives from the game, and they must be pointed out if we are to improve, is that at times our on ballers are travelling a little too far into the forward line, and due to this

## Coming Events

**Keep this date free – more information to come**

Wynnum where able to find a few loose players in the middle, we must not allow this to happen.

Once again it really is truly difficult to pick out best players when everyone is doing the job that is asked of them so for now I will just point out a few players who are improving each week, a great game from Reece, who put his head over the ball and got out some great handballs that created some excellent forward thrusts.

Nick Sanders and Joel are starting to pick up some confidence with some great leads and marks and jesse's never say die attitude won some great ball in dangerous situations. Bluey continues to dominate the ruck, which helps the centres take control of the centre and then with quick movement is delivering to a forward line who are not just great in attack but also defend well when the ball ends up in opposition hands. Shane also continues to work hard there and was at one stage being double teamed, which creates lose players for us. Raabe, Beau and Jordan are getting there hands on lots of ball, but more importantly there delivery is improving each week.

Once again well done guys keep working on our weaknesses and we will continue to improve as a team. Goal Kickers 12 goals by the entire team

#### Under 15 Girls Blue

HOME 20-12-132 AWAY 0-0-0

That's what the scoreboard read on Saturday after our smashing win over Jindalee.

This was our first win of the season and really boosted our spirits. As a team our skills and adherence to the game plan are improving each week which is a good sign. Emma had a terrific debut kicking 4 goals and Shannen's confidence with the ball has improved majorly with her kicking a bag of 5. All the girls played well showing the courage and heart that we've been taking about at training.

Goal Kickers: Elvis 6, Shannen 5, Emma 4, Chrystal 4, Lauren B 1

#### Under 15 Girls Gold

**Sponsor: Bretto Auto Mobile Service**

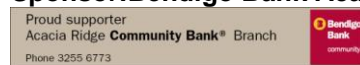

This week we played at Kedron. Kedron came out all guns blazing and blew us out of the water in the first two minutes of the game. Except for some good play in the third quarter we really couldn't hold them at all. Hopefully we will take a lot out of this game and improve from here. There were a number of good individual efforts but we

were soundly beaten by a much better team on the day.

Final Scores Kedron 14.12.96 defeated Calamvale Gold 2.1.13

#### OFF THE FIELD NEWS

##### Newsletter Deadline

All match reports and any information or notices to appear in the current week's newsletter must be sent to news@leopards.com.au by Monday night.

##### CANTEEN BREAK INS

Unfortunately our canteen was broken into again last Saturday night. This is the forth time now since late March. As the canteen is the only source of income for the club, we now have to spend money, which was allocated to replace and upgrade equipment such as footballs, training and exercise equipment, on replacing stock, repairs and upgrading security. All stock now has to be removed from site when games have finished which makes setting up and closing down each day a big job. These thefts are heartbreaking to those who put the effort in to keep the club running. The committee is now working closely with Calamvale Police and if anyone has any information please pass it on to a committee member or your coach.

Calamvale Leopards is not just A club it is YOUR club

##### Season Draw now available

Hooray! The season draw has finally been released. Please see Week 7 draw in this week's newsletter and a copy of Week 7-16 draws for all teams is provided in as a separate handout.

**Changes still occur so please check newsletter each week for any last minute changes to the draw.**

##### DID YOU KNOW?

Thomas William Sherrin started making and distributing footballs in 1879 after gaining a reputation for repairing rugby balls while working at a Collingwood Saddlery. He then bought a factory in Collingwood, and started to produce his own footballs. He extended the points and turned them in to make them rounded.
