## Team Sheet

Managers, please remember in all cases, the White to the umpire, the Yellow to the opposing team and the PINK to be placed in the pigeon hole provided in the office or hand to a committee member.

## Suncorp Special Sponsorship Arrangement

Looking for a Home Loan or wanting to refinance, then contact Helen Zeremes, Mobile Banking Manager for Suncorp on 0409 810081, to arrange an appointment. Mention you are from the Leopards and the club will receive a commission on settlement of your loan.

## Registration Fees

The club reminds everyone that all Registration Fees must be paid immediately. Failure to do so could mean your children will not be allowed to play football.

If anyone is having difficulty paying the full payment, please contact Claude Sansiveri on 0414 944095 to organise a repayment plan.

We are sorry to have to resort to this type of action as we endeavor to make sure all kids get to play football as that is our main aim. However, it is also our duty to ensure the long term viability of the club and pay our bills on time. Your efforts in getting monies into the club on time aid us in doing this.

Your cooperation is appreciated!

## Canteen

Craig and Tracey have really settled in very well with the canteen providing an excellent service to us all on match days. Now that they have got things set up and running the way they wanted they are now in a position to ask for help. Please find below a roster which will be circulated each week following confirmation of the draw.

## Match Reports

### Under 9 - Red

The boys headed north on Saturday for the re-match between the Leopards and the Bulldogs. Earlier in the year we had played them at home and they showed us a thing or two about playing for four solid quarters. This time though the boys were ready for the tough match. They started well from the centre using the set up they had trained in and the forwards were soon kicking some fantastic goals.

But Wests were not a team to give up and soon they too were scoring with our defenders working exceptionally hard. By half time we knew this was going to be a tough encounter with a number of head clashes and even some "contentious" off the ball incidents.

The coach told the boys to play the ball and that scoring a goal was the best retaliation for any rough play.

And so the team responded, with some hard work and desperation shown by all players, soon the Leopards team was running the ball forward for more shots on goal.

The boys again kicked a solid score and continue to show the skills development needed.

Michael showed his ground ball skills yet again with the toughest fighting for the ball on the ground, Mathew H ran hard and made great position. Ben chased hard when in defense and kicked long and true. Jarrod McKnoe continues to impress, with the opposition coach stating "I glad you gave me one of your best players" when Jarrod played a quarter for them. Blade was his usual impressive self having many kicks and attempting many marks. Daniel has surpassed all expectations of a first year player with some terrific improvement of his skills. The defensive skills of Jay and Braedon were again on display and fully impressed the crowd. Shamus showed the flair in the forward line that the coach encourages and even after a knock to the head, played a terrific game. Sinjin has lifted his performance and continues to show some really big kicks and looks for his teammates. Once again Jod showed his ability to dominate in any position he plays and he finally added some goals to his tally for the year. The efforts of Isaac to get the ball out of the centre was fundamental to the final outcome of the game. If one person knows how to find space best that person is Kurt, he ran hard all day and always gave his team mates an option. Mack again showed his team spirit by turning up to cheer his team on despite his broken arm in a cast.

Thanks to all the parents who managed to keep their cool despite seeing their kids taking some hard and even unfair knocks.

Big thanks to John for his tireless stats taking. Thank you to the other parents who each week wash the jerseys and bring the oranges.

### Under 9 - White

Leopards White had a bye this week however Daniel, Cooper & Jarrod Nuttall helped out our mates Leopards Blue in whopping Kenmore on Saturday morning.

All the Leopards White boys are training hard and doing everyone proud. However as we had the bye I wanted to quickly thank all the parents for their support and assistance thus far this year.

Special mention to the team's official office bearers who have American Indian titles as follows: Craig Chant "Head of matters coach not want" Mike Warman's dual role of "Head of Comment to coach how good is me" & "Get Recalcitrant Boy & give Discipline", Roger Hill, Steve Fenton & Alf Del Brocco for "Head of do kick to boys whilst coach work out what do next", Ross Mughelli "Rain dance for boys to play well" and Bob Harris for "Wave surrender hankkerchiefs when boys kick goal" (must say he is kept busy). Not all chief & squaw get mention but big "How" to all who nominate in rotation for "Pick berry and cut for kid" and "Take Guernsey to creek and belt on rocks". Finish with juicy piece pipe to all teepees for "Bring indian half hour before pow pow".

### Under 13 Girls

#### Calamvale Leopards V Redland Sharks

Good game girls!! Welcome to our new girls who played their first game today and unfortunately only just lost it. This game was a very close game the whole game. We had our first girl come off today with a injury, unfortunately it was one of our new girls Chrystal who fell on her hand and hurt it. Though she came off and had it attended to she went back on the field later on and still done her best. All girls played well. It's great to see that the word of our girls teams are getting around and

more and more girls are signing up. So keep all your friends and relatives coming. It's great to be involved whether it's playing, helping out or just cheering the girls on.

We had three goal kickers today, they were Jessica our leading goal kicker with 4 goals and Bree and Casey with a goal each. The final score was 7.3.45 to 7.7.49 to the Redland Sharks.

Keep on trying your best girls and remember the most important thing and that's team work! We're all proud of your efforts girls and for not giving up!!
