## Registration Fees

The club reminds everyone that all Registration Fees must be paid immediately. Failure to do so could mean your children will not be allowed to play football.

If anyone is having difficulty paying the full payment, please contact Claude Sansiveri on 0414 944095 to organise a repayment plan.

We are sorry to have to resort to this type of action as we endeavor to make sure all kids get to play football as that is our main aim. However, it is also our duty to ensure the long term viability of the club and pay our bills on time. Your efforts in getting monies into the club on time aid us in doing this.

Your cooperation is appreciated!

## Match Reports

### Under 9 - White

Each week the opposition put up a challenge and each time the Leopards White boys have risen to the challenge and run out the better side.

Moorooka Roosters had some big boys who could play, and play hard, and it took a stand out first quarter from player of the week Daniel who dominated with several marks and ground play. The crowd is still in amazement at Daniel's actual goal and the two he kicked from the centres that can't be counted. This definitely lifted the rest of the boys including Zach & Alex who both played their best game for the season so far with determination to get the ball with marks and a fast play on as the coach instructed at half time (some related this to Barrassi in 1970 GF).

Jarrold Fenton got plenty of the ball again and Jarrod Nuttall took some strong marks and battled through some bumps (he tells me he took a dive for the free kick). Troy was very solid in his game this week and looks like he is developing into a very good player. Jay continues to show his quality with great performance both forward and back. Jordan kicked a great goal "in traffic" and we now know what a good player he is. Rion tired hard and is getting into the swing of things along with Dale who gets better each week and makes a good contribution to the team.

Cooper and Jackson both played well and dominated when focused on the game and not talking. Imagine is they focused for the whole game! Patrick is starting to think about where he is best placed for the boys to kick to and this makes him so valuable because we know that he can take a good mark and contest strongly. Vincent keeps rolling out the quality games and this game was no exception.

So as you can see plenty of good play by the whole team and that seems to be the secret of U9 Leopards White success. If one of the stars are quiet someone else steps up and thrills the parents and supporters who come out in force each week. Let's keep concentrating on the big "3" which the coach is teaching us and if we do, the talent scouts will be around with the cheque book.

Thanks again to the umpires, officials and weekly helpers. It remains fun for all when each parent looks to be involved and gives positive reinforcement to this wonderful group of boys about good play (by both sides) and efforts in the name of teamwork, sportsmanship and concentration on the field.

Friday night game this week at Calamvale. See you there.

## Under 9 - Red

Our first game under lights and everyone was very excited! Sherwood 1 was a very well drilled team but short players. Braedon, Jarrod "Jod" McKay, Shamus and Michael all showed great sportsmanship in trying really hard for the opposition.

Captain Isaac received the Coach's encouragement award this week for holding his overhead marks and kicking goals.

Assistant Coach Chris commented that he thought the players manned up really well and showed some great team play, handballing and kicking to team mates.

Ben's handballs were on target and Daniel's confidence in his new skills is growing. Blade tried valiantly all game while "Jod" was chasing hard and looking for the ball. Jay jumped quickly back to his feet when fighting for the ball to have another go. Kurt never gave up in his quest for possession. Matthew Hammel put in another consistent effort whilst Shamus was kicking well and was encouraged by the coach for his show of teamwork. Braedon chased well and took some good chest marks in fullback. Wherever the ball is, you will find Jarrod McKnoe and Sinjin booted some big kicks downfield.

Coach Robert wants everyone to officially welcome Michael to the team, he has been on trial since season start, as he is under age, he has certainly lifted his game and Michael was very excited to hear he was staying.

We all enjoyed our first night game. Sadly for Matthew "Mac" McLean, he has a broken arm. Matthew's hands maybe safe for taking marks but not for high speed scootering. Well done for showing your support by coming to training and the game. Get well quickly.

Thanks to our friends and family for your support, the Coaches, Umpire, John and Chris for assisting Coach Robert, Shaun for being Goal Umpire, Lyn for oranges, Kerrin for jersey washing and Kelly for the never emptying lolly tin.

## Under 12 – Div 3

### Mt Gravatt 6-8-44 Def Leopards 1-2-8

This week saw us welcoming to the team Kurtis B from div 2 and also Adam D, who was playing his first game of the season. The game started at a frantic pace, with some very attacking play and some great defence from our backline. Nick N, Callum and Curtis played great footy in the last line of defence, repelling attack after attack. Kurtis B found confidence in his new headgear, throwing his body at the ball and turning defence into attack on numerous occasions.

In a rough, physical game, the team stood firm, Jessica and Courtney showed they were more than willing to mix it with the guys. Damien and Beau showed their usual attacking flair, whilst Adam and Bomber showed off their running game, covering a heap of ground on the wings.

Bradley played a great game at centre-half back, often outsized but giving everything he had. Oren, TJ, Josh P and Carl were dangerous forwards and with a bit of accuracy from the entire team the result may have been different. Aaron was in everything, either in the centre or the backline while Jordan B and Andrew took turns at dominating the ruck.

We trailed by 1-2 at 3/4 time, but a combination of illness, injury and a lack of run saw us fade out of the game. The exception was Jesse, who played a real captain's game. From the opening bounce to the final siren, Jesse ran hard, tackled ferociously and sent the ball into attack in a game that Chris Judd would be proud of.

Our best went to Jesse, Kurtis B, Bomber and Beau, with Jordan B our sole goal kicker.

### Under 13 Girls

#### Calamvale Leopards V Redland Sharks

The girls put in an excellent effort today, well done girls. All girls played really well considering this was the first official game of the season. Team work is an important thing and our girls pulled there team together well today. The competition was great and a very close game we had. A congratulations to Madeline who kicked 3 of our goals and to Stephanie, Jessica, Shanae and Courtney who all kicked a goal as well. The final score was 7.6.48 to 5.2.32 in the Leopards favour.

These 2 teams played a practice match together only a week before this and our girls lost due to not working together, though they really put the effort in at training and today's performance showed that effort put in at training and working as a team is the main key to winning a game even against a team they have already played and lost against.

All girls can't for next weeks game. Well Done to one and all girls!!!

Week 6						
Age	Date	Time	Home Team	Vs	Away Team	Location
8	<b>Fri, May 12</b>	<b>6:30 PM</b>	<b>Hawks</b>	<b>Vs</b>	<b>Saints</b>
