## MATCH REPORTS

### *Under 8's Magpies vs. Blues*

We again represented the Leopards but this week against fellow Leopards the Blues. The Magpies were slow to start due to some good play from the Blues in the first quarter. But after quarter time the Magpies put some good footy together. James Day, in his first game after 6 weeks out with a broken thumb, won the encouragement award for being first to the ball and contesting for marks. Well done James and welcome back. Brandon did some good kicks that helped the team and James Devlin was alert and ready for the ball. When the boys are alert they are a bigger chance of getting the ball. Danyon did some beauty kicks that went to our players and Luke and Clayton took good marks under the high ball. Shamus soon got into the game rather than playing up and guess what...he played his best game of the year with good marks and goals! Jarrod was excellent going for the ball this week while Patrick played his usual good game. Well done guys. Thanks again to the umpires and to all the parents who help out during the game and on training nights. The coaches need as much of your assistance as possible so we can help your kids be the best they can be.

### *Under 8's Saints V Cats*

A great game of footy played again this week with lots of team work, lots of marking, attacking the ball, and great defending. Well done to Jasmin as Captain. Some great kicks in the game. Good work from all the team. Cody saved a great goal, Jessica Chris and Bronson and the whole team played well. The team as a whole showed off their football skills. Thanks to the cats for a great game and thanks to the umpires. Keep it up the mighty Saints.

### *U/10 Gold*

On a cold night at Yeronga our boys and gal did a hearty warm up session that made us fear they were going to wear themselves out. But they showed their fitness and their skills as they entered the match. It was a very hard and tough match with Yeronga playing man on man and some hard bumps were felt by the parents as they saw their kids fight for the ball. The fighting spirit of the Leopards showed through as the TEAM played its best ever football. The Yeronga team were no match for ours as we won every position in every quarter. Not one of the TEAM let us down as they all showed their skills. Goal of the day to Dylan as he ran around his man and kicked long and true. Brenton ran around players in the centre as if they were not there. Adam took some great marks to show his defence is as good as his attack. Oren showed more of his courage as he too fought for the ball. Viktor carried on his goal kicking display with 3 last quarter goals. Once again Adrienne showed she can match it with the boys as she was usually the one on the bottom of the pack with the ball. The Korkou boys displayed their best game of the year with some great running football. Whilst his first shot on goal was a miss, Jesse soon showed his talent for getting the ball and kicking the big ones. The man mountain Joshua again proved too hard to stop as he tucked the ball under his arm and ran

like a steam train down the wings. The defecive efforts of Ben left the Yeronga team amazed as he continued to mark and playon even when sometimes he shouldn' t have, but managed to get away with it. The TEAM tried hard in the last quarter to get Bradley a goal but the clock beat us. A special mention for Nick who played a blinder his legs no longer seeming to worry him as he marked and ran with the best of them. Our first away win for the year !!

TEAM was best on ground. Goal Kickers. Viktor 4, Adrienne 2, Brenton 1, Mathew 1, Jesse 1, Dylan 1 and Ben 1.

Next game at home Verus Yeronga Black at 11.00 am so be there at 10:30 to scream for your team!!!!

### *U/11's*

#### **FOUR WINS A ROW!**

The greatest game the boys have played in two seasons. This game showed that you could play for four quarters of football. A good start to the game made so much difference. Two goals by us and keeping them scoreless in the first quarter set up the win. A goal to each team in the second quarter saw the boys maintain their lead. A scoreless third quarter saw the game primed for a great last quarter. The Kenmore boys threw everything at the boys with three good team goals saw the boys having to dig deep. Perhaps the goal of the game came in the last quarter, where the boys moved the ball from centre half back down field with some great handpassing, sheparding and kicking. Another good team goal sealed the win.

In the end the boys have run out winners by four points. Trevor said after the game that this by far and away was the greatest effort the boys had put in for the last two years.

**WELL DONE BOYS YOU HAVE MADE YOUR COACH AND CLUB PROUD OF YOU!**

### *U/12's*

Under 12's had a bye this week

### *U/14's*

Leopards 24 12 156 def Collingwood Park 0 0 0  
An excellent game by all the boys against Collingwood Park this weekend.

Our hand passes have improved and are a lot wider, with the boys looking for their team mates.

Tackling was a lot better and harder which is what we want, as demonstated by Dominic who had a terrific first half. Good shepparding by Carek once again, but, also by the team as a whole.

A lot of good play was seen during this match, our 1st year players have really made their mark in the team and are contributing alot in each game.

Great effort as always by Michael Brown, and Liam had a fantastic last quarter with a great goal. It was great to see the unselfish play by both Bede and Ben, great work guys, this is what being part of a team is all about.

Our goal kickers this week were Joel with 7, both Bradley and Michael Bennett with 6 each, Jason with 2 and singles goals were kicked by Daniel Woods, Ben and Liam.

Keep up the good work boys.

### **Footy Fathers For Fitness**

Expressions of interest are being called for Leopards footy fathers who would be interested in playing a game of social footy. Much of the arrangements will depend on numbers.

I envisage perhaps a game every two weeks at the Calamvale ground on a Saturday or Sunday afternoon. 4 x 10 minute quarters, an umpire, modified rules i.e. no tackling.

All in all a fun but competitive game. Perhaps \$5.00 per head to pay for an umpire, and the rest towards the club or a social outing at the end of season.

Anyway, numbers first. If anyone is interested could they please contact Darrell Plumridge on 0413942710 or 3272-2038.
